The Band is currently working on music for a movie themed concert. When we get into testing, I will ask that parents to encourage at home practice a little more. It is difficult when we go into half days with classes.

A reminder about concert clothes. We have had students show up at the Winter Concert and the MPA Concert with all of the following: sweat pants, jeans, leggings, running shoes. This was 6 students during MPA. I managed to find a few of them an alternative. Some of their pants had rips and holes. I do keep a closet of a few items, for those that need, but students should ask a week before the event so we can check sizes. If you are in need of concert black pants or black shoes, please let me know now so I can plan.

Sincerely,
Paul Roberts
