ACS "FAITH. STRONG." CLUB
Chess with Mr. Hoo

Chess is the greatest board game on earth. Who knows – someone from ACS may someday be a Grandmaster (the most elite players on the planet). Sometime even young players become brilliant -- watch the movie, Searching for Bobby Fischer. This club will help members learn some basic openings and other strategies. Everyone will play at least a couple games each session. We will all learn how to play tournament chess (with a clock) and have some tournaments. Beating Mr. Hoo will earn you a special prize. Whether you are a beginner or intermediate player, you will have a good time and be sipping hot chocolate as the cold winter winds howl outside. Two sections will be offered - one on Tuesdays and one on Wednesdays.
