

A.S.V.A.B. - Armed Services Vocational Aptitude Battery
Test required for Military Service
November 11th @ 8:30 pm - 10:30 pm @ Norris

The A.S.V.A.B. Test will be administered at Norris High School. By taking the A.S.V.A.B. test (Armed Services Vocational Aptitude Battery) a student is better able to understand their career aptitudes, interests and personal preferences and match these characteristics to civilian and military occupations. The test will be excused for attendance purposes. A parent /guardian signature will be requested for a student under the age of 18 to take the test.

Student First & Last Name _____

This signed permission form must be returned to the counseling center
no later than one week before testing.

My student has permission to take the ASVAB Test at Norris on the date noted above.

Parent/guardian signature here (*permission needed to take the ASVAB test if student is under 18*)
