Dear Community Member,

The Event

We welcome you to participate as a sponsor in our “**Summer Soiree with YAMT**” Fundraiser.

- **Date: Thursday, July 24, 2025**
- **Location: The Loft, 3525 I Street 315, Philadelphia, PA 1913**

Background

You Are More Than Inc. (YAMT) is a 501(c)(3) national survivor-led nonprofit organization, transforming the growth of marginalized survivors of sex trafficking and those impacted by the commercial sex industry by providing barrier-free access to survivor-centered support focused on mental health, education, and economic stability.

Since opening our doors in 2020, YAMT has **uplifted 657 survivors throughout 35 states**. Through our **wellness program**, we have provided **over 2,000 hours of free survivor-centered, trauma-focused** individual and group counseling services, peer mentorship, and increased survivor access to mental health care through grants for therapy co-pays, psychiatric evaluations, and alternative forms of treatment like bodywork therapy and acupuncture. Through our **education program**, we have improved 50 survivors' outcomes in school settings by paying for tuition, childcare, rent, transportation, and school supplies. Through our **economic empowerment program**, we have provided pathways to economic freedom within the lives of 21 survivors by hiring them at YAMT. Additionally, we have directly invested in **57 survivor-led small businesses** by providing them with grant funding and financial coaching. In the last four years, **we have provided flexible funding grants totaling \$132,000** to survivors throughout our community. See our continual impact here: [YAMT Program Impact](#).

You can help us raise \$25,000 for this event to ensure survivors receive continued after-care support.

YAMT is a vital resource in our community. It is the **only** survivor-led nonprofit organization with an intentional focus on serving BIPOC and LGBTQIA+ survivors **nationally**.

Quotes from our Members:

“YAMT is the first real connection to starting over for me, even though I've tried other organizations. YAMT has no agenda but to help survivors (not convert them). A "real" organization, one that does good. They provide resources without agenda or judgement and a healthy space to grow around safe people.”

Promotion

YAMT will promote the event via all social media profiles ([TikTok](#), [Instagram](#), [Facebook](#), and [LinkedIn](#)), **reaching more than 10,000 people**. All sponsorship-level contributors will be acknowledged via social media.
