

8th Gr. BLUE ANGELS

Schroeder Middle School

800 32nd Ave S • Grand Forks, ND 58201 • Office (701) 746-2330 • Attendance (701) 746-2334

Welcome to the Blue Angels 8th Grade Team

The eighth-grade year marks a pivotal moment for students transitioning to high school. While it's an exciting time, it can also bring added challenges and stress. Our teachers are fully committed to supporting your journey towards success. Learning isn't always smooth sailing; it demands practice, dedication, and time. But we're here every step of the way, ready to assist and guide you.

We understand that learning requires patience and support from both educators and families. As parents and guardians, you play a crucial role as your child's primary educators. You possess invaluable insights into your child's needs and experiences, which we respect. Please don't hesitate to reach out to us regarding any special needs, accommodations, or issues that may arise throughout the school year.

Middle school offers many extracurricular activities for students to try. We encourage students to get involved, but it's important to remember that schoolwork comes first.

It is expected that students take ownership of their academic responsibilities by making arrangements for missed work prior to their planned absence. This includes making up any missed assignments or assessments due to participation in extracurricular activities or absence from school according to the district make-up work policy.

We are so excited to meet all of you and to get started with your last year at Schroeder!
