Episode 695: How to Pronounce Connection (http://www.youtube.com/watch?v=GdI2Ejk0YRM)
- Eight - what connection did Chief's ex-wife have with President City?
- A: There's got to be a connection between the two systems.
- B: The only connection I see is shared frustration - and the occasional repeated phrase.

~"Ninth, what would happen to this country and its economy if we won?"~

Episode H07: How to Pronounce Won (Private Video - No Link)
- Ninth - what would happen to this country and its economy if we won?
- A: I did it. I won!
- B: The only thing you've "won" is bread tacos.

~"And tenth, why did she insist we conceal our relationship from the rest of the squad?~

Episode 696: How to Pronounce Conceal
- And tenth, why did she insist we conceal our relationship from the rest of the squad?
- What fun is a game when the creators conceal the principal mechanic for victory? (haha - ARGs)
- B: I wonder what else they're concealing?

"One day, these questions will be answered in a splendid exegesis."

"I was certain that someone in LA knew the answers to all ten mysteries."

"Or perhaps I already knew them myself?"
