

Private Lesson Teachers

Here is a list of private teachers in the area.

Private lessons are a great way to get more individualized instruction on your instrument outside of the school day. Students who take private lessons often prepare solos for NYSSMA, audition for All County, Area All State and other festival bands, and often become section leaders in the band. In addition, students who take private lessons can use their lesson time towards their band grades and as a requirement for Honors Band. If you would like to take lessons or currently take lessons, please make sure Mrs. Klein knows!

This is only a list of private teacher's names and instruments they teach. If you want more information on a teacher, please see Mrs. Klein.
