

# Privacy Policy for ReShot Video Effects

*This Privacy Policy was last revised on, and effective as of 10 March 2024*

## 1. Introduction

Welcome to ReShot - Video Effects. This privacy policy explains our practices regarding data collection and usage for users of our app, emphasizing our commitment to not collecting personal information or analytics data.

## 2. No Personal Information Collection

ReShot - Video Effects does not collect or store any personal information from its users. Users can access and use our video editing services without providing any personal data.

## 3. In-App Ads

Our app may display third-party advertisements. These ads may collect non-personal information such as your device type, IP address, and in-app behavior for the purpose of delivering relevant ads. Please note that these ads are provided by third-party ad networks, and we do not control the content or data collection practices of these ads.

## 4. In-App Purchases

Our app may offer in-app purchases for additional features or content. Please note that we do not store or have access to any payment information, as all transactions are handled by the respective app store platforms (e.g., Apple App Store, Google Play Store). Please review the privacy policies of the app stores for more information on their data handling practices.

## 5. Data Security

While we do not collect personal data, we are committed to ensuring the security of any data processed through the app. All data related to video editing remains on your device and is not transmitted to us or any third parties.

## 6. Children's Privacy

As we do not collect any personal information, our app is compliant with children's privacy laws. We encourage parents and guardians to supervise their children's online activities.

## 7. No Third-Party Services

Reshot - Video Effects does not include links to, or integrations with, third-party websites or services. Our app is self-contained, offering a secure and private experience without external influences.

## 8. Updates to the Privacy Policy

We may update this policy periodically. Any changes will be posted in the app, and we encourage users to review our policy regularly.
