

Application to Drive Dorm Students

NOTE TO PARENTS: Dorm students greatly appreciate being driven to malls, movies, etc. As parents you need to make an informed choice about whether to allow your student to transport dormitory students in your car(s). You should be aware of the liabilities of the owner and driver of the vehicle. Academy insurance does not cover the use of your vehicle and your private coverage is your protection in the event of an accident. Please carefully consider the responsibility involved before filling out and returning the form below. Signing this form makes your student eligible to be approved for driving permission by the principals and dorm heads. It does not automatically mean they have permission.

PART 1: The following criteria are necessary for your student to be allowed to have car permission.
