

Good evening Bulldog parents. I have not forgotten about you. First I have some bad news. Unfortunately due to county restrictions I am not able to host a prom this year. I did plan on having a grad night at Universal Studios for our seniors, but the venue told me that they are not allowing busses and I am not able to approve having all of our seniors driving down to Hollywood on their own for a school event.

Graduation will be on Wednesday May 26th at Glen Helen Amphitheater. I am currently working with live nation and the county of San Bernardino to determine how many tickets we will be able to allot for each student. As soon as I know I will pass it on. If you have not ordered your cap and gown you can still do so at Jostens.com

For those that didn't know we will be giving out the yearbooks to the seniors on May 19th at the senior celebration. If you have not purchased your yearbook it is not too late. You can order one at www.yearbooksforever.com and search for Oak Hills High School.

Here is a list of all of our May events that will be happening for our seniors.
