General Business Leader: Jacques	<ul> <li>Acknowledgement of Country</li> <li>Purpose of meeting</li> <li>Clinical school issues/positives</li> <li>Clinical school events - CHARMS</li> </ul>	
1. Y5 Conference Week Leader: Georgia	<ul> <li>Content of clinical week</li> <li>Content will be tailored to preparing 5th year students for internship.</li> <li>Content may cover certain aspects of final exams for 5th</li> </ul>	- Georgia and Phoebe to survey Year 5 students on "Mini Conference Week"content

	years, but that is not the purpose of the conference week.  Delivery (Orange vs Local)  Delivery of conference week will be local (At each RCS).  Dr Mendel, Dr Christie and Dr Cantwell will be visiting each clinical school for 2-3 days to deliver the mini conference weeks.  Sandra: Moving conference week locally is minimising cost involved for students.  Timing (Before vs After Exams)  Timing not set as AMC Accreditation has led to SRM not being able to organise conference weeks as of yet.  Exam time for 5th years may be changing. This will mean conference wee  Griffith: Would prefer after exams.  CHARMS: Sponsorship day on conference week not going ahead? Lesley stated to have sponsors day at end of the year at same time of graduation. Georgia backed this idea for engagement from fifth years.	- Sponsor Day "Day of Talks" to be moved to the end of the year by CHARMS.
2. First Name	- Orange Clinical School received theres	- Tanya to

	beginning of 2025.	the next
	- Lesley not sure. SRM have	meeting.
	been having meetings	
	about risr. The discussion	
	needs to go to the	
	university's technical team.	
	It is also expensive. - May find out Monday.	
	- Way find out Monday. - Currently students will	
	remain using ePad.
