

UNITED KINGDOM POLICE WOMENS BASKETBALL AWARD

The United Kingdom Police Women's Basketball team participated in the 4th USPE EPC Women's Basketball Finals, held in Heraklion, Crete from 18-25 May 2024.

Although the team were unable to progress from the group stages it was noted by the organisers and USPE that the team had self-financed to enable them to participate in the event.

At the Gala Ceremony on 24 May 2024 Sally Bunyard-Spiers, head coach of the team, was recognised for her commitment to Police European Sport and she was given the highest USPE accolade, the Medal of Honour, which was presented to her by the President of USPE Georgios Tzatzakis.

Sally said she was extremely humbled to receive this award and dedicated it to the commitment of the whole team in managing to self-fund in order to participate in this International event.

Her hope is that the team will be given the opportunity to participate in the 5th USPE EPC Women's Basketball Finals and she is starting the team preparations for this.
