

# Join our Team as an Outbound Setter (For German Market)

An **Outbound Setter** is the first touchpoint between us and potential clients.

Your job is simple but extremely important:

You reach out to leads, start conversations, qualify interest, and schedule calls for us and our clients.

You **do not** need to close deals — just start conversations, follow a proven script, and book appointments.

## Your Role & Responsibilities

### What you will do:

- Reach out to leads through Cold Calls, LinkedIn or Email.
- Qualify whether a lead is a good fit for us or our clients.
- Book appointments for our sales team
- Keep your lead list organized and updated
- Follow a simple daily workflow (we'll teach you everything)

## What You Need to Succeed

You **don't** need prior sales experience — we train you.

What matters most is your personality and discipline.

### You are a great fit if you:

- Communicate clearly and naturally
- Enjoy talking to people
- Are reliable and organized
- Follow simple scripts and workflows
- Are motivated to grow in marketing or sales
- Want flexible, remote work
- Speak german fluently (required)

## Bonus points if you have:

- Experience in customer service or sales
- Used Instagram/LinkedIn professionally before
- Basic understanding of marketing

## What We Offer

At GE-Marketing, we give you everything you need to succeed as an Outbound Setter.

- **Fully remote work**
- **Flexible hours** (you manage your own schedule)
- **Proven scripts, templates & training**
- **Clear daily tasks — no guesswork**
- **Opportunities to grow into sales, client management, or strategy**
- **Hourly pay + performance based bonuses**
