WASHINGTON ELEMENTARY SCHOOL

Fall Session
Fridays 11:35 am – 12:30 pm (during lunch)

Chess-Ed is excited to return to Washington School to provide this unique, exciting and dynamic chess instruction which lifts each student to a new level of expertise. Each week students will enjoy an engaging lesson with supervised time to play classmates. Students will grow their knowledge of the game - from the basics through opening theory, middle game tactics and end game combinations. Students' vocabulary and math skills will continue to advance.

Studies confirm that the student who plays chess does better academically. Playing chess increases IQ performance, improves memory, uses analytical and critical thinking skills, teaches problem solving, responsibility, sportsmanship, social skills and more. **The chess program is open to students in all grades (including those in full-day and half-day Kindergarten) and of all playing levels. JOIN TODAY!**

Fall Session: 9/13, 9/20, 9/27, 10/4, (No school 10/11), 10/18, 10/25, 11/1, 11/8, 11/15, 11/22/2024 **10 weeks.**

EARLY Registration through 08/30/24 - $140

ON TIME Registration 08/31/24 through 09/20/24 - $170

Register at:

https://2024-2025washingtonchess.eventbee.com/

Attendance sheets are prepared 24 hours before first class begins. Please register early.

Your registration is complete when you receive two confirmation emails, one from Eventbee and the other from PayPal. If you do not receive these two emails, your registration is not complete. Please check your Spam/Junk folders as the confirmation emails may be diverted there.

Chess-Ed does not pro-rate classes. Questions? Please email info@chess-ed.com and include WASHINGTON in the subject line. A full refund, less a $20 administrative fee, guaranteed if notified before the third class. Contact Chess-Ed directly at info@chess-ed.com.
