Website Review

Tuesday – 7:30pm

November 15, 2022

1 Hazel Road

1. Discussion of possible CENA website revisions or replacement.

Phil feels that Nation Builder websites are easier to use. He also asks that we plan in advance what changes we might want to make before hiring someone to change things.

We have scheduled Tuesday, November 15th to have a planning meeting at 1 Hazel Rd, starting at 7:30pm to see what we might want to change.

Please review the website at: <https://www.claremontelmwood.org> before the meeting and bring your concerns or changes with you to the meeting.

You can bring your laptop and view the website at the meeting.
