# **WELCOME**

Welcome to your Baldwinsville Athletic Department Handbook. The mission of the Baldwinsville School District is to empower all students to reach their individual potential on and off the field of play. We realize that this can only be accomplished through a collective group of stakeholders such as parents/guardians, coaches, administration and student athletes to be committed to the endless pursuit of excellence, through teamwork, sportsmanship, understanding and commitment.

As Bees, we embrace these values and strive to instill them at all levels of athletics from the modified to varsity. This will create success and everyone will be able to win on and off the playing field.

The following handbook lists some of our important procedures and items to help set you and your student athlete up for success.

By familiarizing yourself with the following items, our hope is that your athletic experience will be effective and efficient. Please use it as your own personal resource that will help you navigate athletics as we go through the seasons.

Thank you for taking the time to read it.

**GO BEES!!!**

Sincerely,

***Christopher M. Campolieta***

Director of Physical Education, Health, & Athletics  
Baldwinsville Central School District

## **Philosophy of Interscholastic Athletics**

Athletics are an integral part of a well-balanced educational program. The Baldwinsville Central School District's (District) interscholastic athletic program will conform with the Commissioner's regulations, as well as meeting all established rules and all eligibility standards set forth by the Baldwinsville Central School District, the Salt City Athletic Conference, Section III, and the New York State Public High School Athletic Association.

Participating in athletic programs are an important part of the total educational process at Baldwinsville. Program participation enriches the educational experience, promotes connectedness and a sense of belonging, and contributes to the development of a well-rounded student. Determination, perseverance, achievement, respectfulness and teamwork are some of the valuable lessons that can be attained through extracurricular participation. Athletics should be a broadening experience in which harmony of mind-body functions is created through striving for physical and mental excellence. This

value-building experience should be offered to as many students as possible. A well-coordinated program is vitally important to the morale of Baker High School, Durgee Junior High School and Ray Middle School as well as our entire community.

Everyone involved in the delivery of athletics possesses a unique opportunity to teach positive life skills and values. The students' qualities of loyalty, desire, dedication, self-control, initiative, sportsmanship, enthusiasm, ambition, resourcefulness, reliability, integrity and self-discipline must be developed in order to ensure the commitment and personal sacrifice required by athletes. Making such a commitment helps to nurture integrity, pride, loyalty and overall character. The final outcome is a better citizen carrying these values throughout their lives.

Participation in athletics is a privilege, not a right. Because of this, student athletes are held to a higher standard. Students' participation in the District's athletic program is conditioned upon their adherence to the provisions of the Athletic Code of Conduct along with Baldwinsville Central School District's procedures and policies along with ensuring that athletes are academically eligible during their season(s).

## **PHILOSOPHY OF LEVEL**

**Modified** – This program of competitive sports focuses on the fundamentals of the game, rules, training and basic skills. Emphasis is placed on basic skill development and maximum participation is desired. Additionally, coaches will build a foundation to help promote the advancement of the athlete to the next level of the program. Participants will play approximately the same amount of time.

**Junior Varsity** - The junior varsity level of competition is the program where increased emphasis is placed upon team play, physical conditioning and refinement of basic skills that will best prepare athletes to play at the varsity level in the future. Winning at the junior varsity level is considered important and participants should be taught how to cope with losing and crowd influence during contests. Each individual will be given the opportunity to play during the season at the discretion of the coach.

**Varsity** - The varsity level of athletic competition is the culmination of the high school athletic program. It should be understood that after try-outs, cuts are likely to happen (as may be true at all levels); the decision of the coach(es) should be respected. Team play, sportsmanship, individual physical ability, motivation and mental attitude are very important aspects of competition at the varsity level. The team definitely plays to win the contest but varsity contestants should accept the fact that important lessons are to

be learned from losing. It is recognized that not all participants play in every contest and playing time is at the discretion of the coach. Ability and attitude will be the determining factors in making the team at the varsity level.

**Important:** At the Junior Varsity & Varsity Level - Student athletes should be able to understand the roles of the team and to understand the reality that playing time is not always guaranteed. Being a good teammate is always the best policy and to always strive to do your best no matter what circumstances are presented.

s mentioned, it is a privilege to participate in Baldwinsville Athletes and they must understand the expectations of their eligibility.

## **Attendance at School**

Student athletes must be in attendance for the entire school day in order to be eligible to participate in practices or athletic contests on that day. Student athletes who are truant or who are serving in-school suspension or out-of-school suspension will not be eligible to participate in practices or athletic contests on that day. The athletic director, principal, or superintendent of schools may make exceptions for the following reasons:

- death or serious illness in the family;
- court appearance;
- college visitation;
- medical appointment verified by a note from the medical office personnel;
- religious observance;
- extraordinary circumstances.

## **Advanced Placement Process (APP)**

**Baldwinsville Central School District Board of Education Policy #7420:  
The Advanced Placement Process for Interscholastic Programs (APP)**

The Advanced Placement Process for Interscholastic Programs (APP) is a method for evaluating students who want to participate in sports at higher or lower levels, consistent with their physical and emotional maturity, size, fitness level, and skills. The Board approves the use of the APP for all secondary school interscholastic team

members. The Superintendent of Schools (Superintendent) will implement procedures for the APP, and will direct the Athletic Director to maintain records of students who have successfully completed the APP.

According to the Regulations of the Commissioner of Education, students in grades 7 and 8 may not participate on high school level teams without going through an extensive screening process called the Athletic Placement Process or "APP". This privilege is limited to **advanced/elite athletes** in the sport requested. As part of the screening process a candidate must be able to show that there is objective evidence of their advanced abilities as demonstrated in prior competitive situations in that sport.

In addition to the above, candidates must have sufficient social and emotional maturity, have shown adequate academic progress, and have a positive behavior record. ***There are a number of steps in this process beginning with a recommendation from the varsity coach to the Director of Athletics, Physical Education & Health.***

Once this recommendation is made, a conversation is had to determine if the student athlete meets the criteria for the APP. If it is determined that the student meets the initial criteria, an email is sent to parents/guardians/caregivers of the candidate providing the date of a parent/guardian/caregiver/athlete meeting with the Director of Athletics to go over a detailed presentation of the APP process. This email will include the date and time of the APP physical fitness test. Since this is an extensive screening process with many steps involving many people, requests need to be made well in advance of the sport start date. These dates are given to all varsity coaches well in advance with a deadline date.

## **Athletic Eligibility**

### **Baldwinsville Central School District Board of Education Policy #7420:**

#### **Athletic eligibility requires that the student :**

- a. Provide written parental/guardian consent. The consent form must contain information regarding mild traumatic brain injuries (concussions) as specified in the Commissioner's regulations.
- b. Obtain medical clearance from the school physician/nurse practitioner or the student's personal physician. The school physician/nurse practitioner retains final approval on any physicals performed by a student's personal physician.

- c. Meet the requirements for interscholastic competition as set forth by the Commissioner's regulations and the New York State Public High School Athletic Association.
- d. Comply with all District rules, codes, and standards applicable to athletic participation.

## **General Requirements-Athletic Code of Conduct**

- Student athletes and parents/guardians must sign a contract signifying that the athletes and their parents/guardians understand and accept all Rules, Code/Standards and expectations of the Athletic Code of Conduct.
- Student athletes must be enrolled in three full-time courses and actively participate in physical education classes, as required by the New York State Public High School Athletic Association.
- Student athletes must have received a current physical examination and must have returned all of the appropriate forms.
- Student athletes must attend all practices and games throughout the sport season, unless absence is approved by the coach. Interscholastic sport teams in-season must have priority over club or recreational type programs.
- Student athletes must meet all eligibility standards and abide by the rules set forth by the Baldwinsville Central School District, the Salt City Athletic Conference, Section III, and the New York State Public High School Athletic Association.

## **Family ID & Start Dates**

Family ID is a platform that provides you with an easy user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register the system keeps track of your profile so that you enter information only once for multiple uses, multiple family members and multiple programs.

**IMPORTANT: Family ID will open 30 days prior to the Start Date of the season.**

**\*Please sign your athlete(s) up at the school they will be attending for the 2025–2026 academic school year.**

To register for an athletic program, click here [Family ID / Arbiter Link for Sign Up](#)

**NOTE:** Family ID registrations **COMPLETED BY THE DEADLINE DATES** will be processed in time for the student athlete to **PARTICIPATE ON THE FIRST DAY OF TRY-OUTS** barring any unresolved medical concerns or missing documentation.

Registrations received **AFTER THE DEADLINE DATES** will be reviewed in the order they are received. Late registration could **JEOPARDIZE THE ATHLETE'S APPROVAL FOR CLEARANCE IN TIME FOR TRYOUTS.**

## **Student Athletic Injuries**

**Baldwinsville Central School District Board of Education Policy #7420:  
Athletic eligibility requires that the student :**

### **Student Athletic Injuries**

No injured student will be allowed to practice or play in an athletic contest. An appropriate medical professional should diagnose and treat an athlete's injuries. The coach should ensure that any player injured while under his or her care receives prompt and appropriate medical attention, and that all of the medical professional's treatment instructions are followed. The injured student has an obligation to promptly inform his or her coach of all injuries. No student will be allowed to practice or compete if there is a question whether the student/athlete is in an adequate physical condition. A physician's certification is required before an athlete is permitted to return to practice or competition.

## **Return to P.E./Sports**

Participation in physical education (PE) and interscholastic sports provides students with the ability and confidence to be physically active for a lifetime.

The Baldwinsville Central School District places the safety of their students at the forefront. If an injured student is issued a return to PE or athletic clearance note, please be aware of the following:

- A note stating may return as tolerated will be interpreted as “no limitations” and “without restrictions”. Therefore, the student will be expected to participate fully.
- A student must be fully cleared for physical education in order to participate in athletic activities.

This district will continue to follow restrictions as outlined in MD/provider notes in order to best support the health and safety of our students.

# Concussions

The district requires the immediate removal from all athletic and physical activities of any kind for a student who has sustained, or is believed to have sustained, a mild traumatic brain injury (MTBI) or concussion. This removal must occur based on display/report of symptoms regardless of whether the injury occurred inside or outside of school. If there is any doubt as to whether the student has sustained a concussion, it will be presumed that the student has been injured until proven otherwise. The District will notify the student's parents or guardians and review the required evaluation and appropriate monitoring.

After removal, the student must be evaluated as soon as possible by an appropriate health care professional. Per New York State Guidelines:

- If the suspected injury occurred in an interscholastic sport, the student **MUST** be evaluated by and can only be cleared by a MD. Written and signed authorization by a licensed physician is required.
- If the suspected injury occurred outside of an interscholastic sport, the student can be evaluated and cleared by a MD, NP, PA. Written and signed authorization by a MD, NP, PA is required.

Before being permitted to return to activity, a student must be symptom free for not less than 24 hours. **In accordance with Commissioner's regulations, the District's Medical Director will have the final determination regarding athletic clearance for interscholastic sports.**

# Athletic Trainers

Baldwinsville contracts out for our Sports Medicine and Athletic Training needs. The Athletic Training room is located at C.W. Baker High School in room G706 near the weight room going toward the wrestling room. The Athletic Trainer is available in the training room on school days, Monday through Friday 2:30 P.M. - 3:30 P.M. for consultations or assistance. After 3:30 P.M., the athletic trainer(s) will circulate throughout district athletic facilities (Baker/Durgee/Ray) to cover practices and contests and is available for any immediate concerns or emergencies.

The trainer's room is also on Saturdays. Saturday hours are variable, depending on practices and contests.

*Under no circumstances will students be allowed to be seen by the athletic trainer during the instructional school day.*

Any changes to the schedule will be posted on the athletic training room door. Hours may vary on non-school days, during holidays and during pre-season practices.

Student athletes currently participating in a sport will be seen on a first come first served basis. Some exceptions will apply, such as athletes who need to leave to ride a bus for competition or medical emergencies. Athletes who are out-of-season may need to wait for services until after in-season athletes are prepared for practice or competition.

## **Try Out Information**

In order to try out for any athletic team(s) you must be considered a bona-fide student that resides and is registered in the Baldwinsville Central School District.

The student athlete must also be cleared by the nurses through Family ID prior to the start of the season.

***It is critical that all student athletes are committed to being present for the start of the season and tryouts.***

**NOTE:** Family ID registrations **COMPLETED BY THE DEADLINE DATES** will be processed in time for the student athlete to **PARTICIPATE ON THE FIRST DAY OF TRY-OUTS** barring any unresolved medical concerns or missing documentation. Registrations received **AFTER THE DEADLINE DATES** will be reviewed in the order they are received. Late registration could **JEOPARDIZE THE ATHLETE'S APPROVAL FOR CLEARANCE IN TIME FOR TRYOUTS.**

Tryouts are categorized in 2 scenarios and may change year to year due to numbers and program needs.

1. Some of our teams do not hold tryouts, so there are no cuts
2. Some of our teams hold tryouts for 3 days (or more) depending on numbers to determine teams.

The selection process is never easy for a coach or student athlete. Please understand when teams are selected that it is done in a confidential manner, whether it is through a conversation or in written form. We do realize this may be a sensitive time for both the student athlete and coach. If the student athlete would like feedback, we ask that they **wait 24 hours** before reaching out to the coach.

**Note:** *Consideration of a student athlete that misses tryouts or does not register on time due to extenuating circumstances (situations such as a transfer student or a medical clearance) will be addressed on a case by case basis.*

## **New Scheduling Platform: Arbiter Sports Information**

Starting this school year 2026-2027, the athletic department is moving our scheduling platform from Schedule Galaxy (Aktivate) to **Arbiter Sports**. Arbiter

sports provides users with times, dates, locations of games, meets, matches, competitions, and tournaments. It is a great source to keep you up-to-date with your athlete's season.

**View Schedules Online:** You can view the full calendar and your individual team schedules via our public portal here: [B'ville Athletics Arbiter Live Link](#) \* Please make sure that that you toggle to the current school year which will be **2026-2027**

**Download the Mobile App Instructions:** For easy access on your phone, you can download the **ArbiterMobile** app. Look for the app icon that matches the image below:

Then go to **Baldwinsville** to search for your teams.

**Please Note:** We appreciate your patience as our **Athletic Office** navigates this transition. It will take some time to get all teams, rosters, and game schedules fully transferred and situated in the new system.

## **Transportation**

### **Transportation to School Sponsored Events**

Where the District has provided transportation to students enrolled in the District to a school sponsored extracurricular activity (which includes athletics), it shall also provide transportation back to either the point of departure or to the appropriate school in the District unless a student's parent or legal guardian has provided the District/Coach with written notice (**\*Student Transportation Sign Off**

**Form**), consistent with District policy, authorizing an alternative form of return transportation for the student.

**\*Student Transportation Sign Off Form** - This form includes name of event, date, location, team/group, coach/supervisor and states “In signing my name below, I as a parent/guardian, am hereby taking my son/daughter with me from the above event and relieve the Baldwinsville Central School District of all responsibility for care and protection of said student:”

**Student athletes can only be signed out by parents/legal guardians/caregivers that are listed under student contacts in SchoolTools. *There are no exceptions to this due to liability concerns.***

*If a parent/guardian/caregiver has an emergency or has an extenuating circumstance, please reach out to the Athletic Office. Each instance will be evaluated and addressed on a case by case basis.*

**Sports Shuttles** - Are provided by the district during each season between Baker High School, Durgee Junior High School and Ray Middle School. Information will be provided to student athletes at these respective schools.

## **Transfer Students Information**

### **New York State Public High School Athletic Association Rules & Policies**

**NOTE:** The Transfer Rule will be enforced as written with no variations permitted.

**NOTE:** A student’s eligibility is determined by the situation/ facts at the time of registration.

a. A student in grades 9-12 who transfers, with a corresponding change in residence of his/her parents (or other persons with whom the student has resided for at least six months) shall become eligible after starting regular attendance in the second school. A residence change must involve a move from one school district to another. Furthermore, when a student moves from public school district

to another public-school district for athletic eligibility the student must enroll in the public school district or in a private school within that district's boundaries of his/her parent's residency. For athletic eligibility, a residency is changed when one is abandoned by the immediate family and another residency is established through action and intent. Residency requires one's physical presence as an inhabitant and the intent to remain indefinitely. The Superintendent, or designee, will determine if the student has met district residency requirements.

b. A student who transfers without a corresponding change in residence of his/her parents (or other persons with whom the student has resided for at least six months prior) is ineligible to participate **at the varsity level** in any interscholastic athletic contest in a particular sport for a period of one (1) year if as a 9-12 student participated in that sport during the one (1) year period immediately preceding his/her transfer. A student's period of ineligibility begins with the date of registration at the student's new school. (May 2020) **NOTE:** Students in grades 7-10, shall be eligible to participate at the sub-varsity level and practice at all levels, while students in grades 11-12 shall be limited to practice (all levels) only. (July 2019). At no time during the one-year period of ineligibility at the varsity level should a student participate in a scrimmage or be an exhibition participant at the varsity level.

### **Transfer Students Information Cont.**

Students who transfer from any school to the public-school district of the residence of his/her parents (or other persons whom the student has resided for at least six months) or a private school within that district's boundaries shall receive a waiver from the Transfer Rule. Such a transfer without penalty will only be permitted once in a high school career. **Schools must submit the required transfer form to the Section office. Athletes are not permitted to practice before the form has been submitted. Athletes are not permitted to compete without approval.** **NOTE:** A student in a foreign exchange program listed by CSIET has a one-year waiver of the Transfer Rule. If such a student elects to stay a second year he/she becomes a foreign student at the start of the school year with item (b) in effect.

#### **Exemptions to (b):**

For athletic eligibility, a student must enroll in the public-school district or in a nonpublic school within that district's boundaries of his/her parent's residency.

**NOTE:** Multiple High School Districts - The policies/boundaries of the school district will be followed. If the district has an open enrollment policy, the interpretation to be used will be the same as used for students of K-8 school districts. When a student enrolls in 9th grade, this is the district (building) of their residence. Any subsequent transfer would be subject to the Transfer Rule.

1. The student reaches the age of majority and established residency in a district and can substantiate that they are independent and self-supporting.

2. If a private or parochial school ceases to operate a student may transfer to another private or parochial school of his/her choice. Otherwise, a student must enroll in the public-school district of his/her parents' residency.

3. A student who is a ward of the court or state and is placed in a district by court order. Guardianship does not fulfill this requirement.

4. A student from divorced or "legally" separated parents who moves into a new school district with one of the aforementioned parents. Such a transfer is allowed

**Transfer Students Information Cont.**

once every six months. The legal separation agreement must address custody, child support, spouses support and distribution of assets and be filed with the County Clerk or issued by a Judge.

5. A student who is declared homeless by the superintendent pursuant to Commissioner's Regulation 100.2.

6. A student of a military employee who is transferred to an active military base may enroll in the non-public school closest to their residence and maintain eligibility if the student enrolls in a non-public school immediately following the change in residence.

NOTE: It is provided, however, that each school shall have the opportunity to petition the section involved to approve transfer without penalty based on an

undue hardship for the student. Educational Waivers will not be considered as an undue hardship.

c. Transfer students trying out for sports before school opens in the fall shall register and be accepted by the principal of that school before the medical examination and the first practice. This shall constitute the start of the regular attendance for falls sports. NOTE: After approval by the school medical officer a student may practice immediately and must satisfy the specific sports standard according to the number of practice sessions.

d. Practices at the previous school may be counted toward the minimum number of practices required provided the principal or athletic director of the previous school submits, in writing, the number and dates of such practices to the principal or athletic director of the new school.

e. 7th and 8th graders that compete at the high school level will be subject to the transfer rule in “that” sport (July 2015).

#### **Transfer Rule Questions that May Come Up**

**Question 1:** “A student turned 19 in late June. I know he/she is not eligible as per the NYSED Age regulation, but can he practice with the varsity team?”

**Answer:** No; the ability to practice is only granted for students who transfer without a corresponding change of address.

#### **Transfer Students Information Cont.**

**Question 2:** “A 11th grade student moved in with her older sister into our school district; her parents remained in the previous school district. She was the leading scorer on her basketball team last year that won State. Is she eligible to play basketball?”

**Answer:** No; she is only able to practice; sub-varsity eligibility is limited to 7-10 grade students who transfer without a corresponding change of address.

**Question 3:** “We had a student who transferred without a corresponding change of address at the start of the school year. Unfortunately, my varsity baseball coach did not know he was ineligible at the varsity level and because of a shortage of players, the student played in 15 varsity games. Is there a penalty?”

**Answer:** Yes; this student is considered an ineligible athlete and all games he played in at the varsity level must be forfeited.

## **Attendance at Practice**

Prompt and regular attendance at practice sessions is necessary for the safety and conditioning of the student athletes as well as the benefits to the team as a whole. Team members must notify their coach prior to any practice and/or game that they will be tardy to or miss and explain the reason for the tardiness or absences. If possible, documentation may be presented. Chronic tardiness to practice or unexcused absences will be dealt with by the coach. It is for the safety of the student-athlete that practice be required.

## **Practices During Vacations**

When athletes commit to a Varsity or Junior Varsity sport, they should assume that practices and/or contests may take place over school vacations. Since it is the policy of the Salt City Athletic Conference (S.C.A.C.) League and Section 3 to schedule contests during some vacations student athletes & parents/guardians must understand this policy and plan accordingly.

Baldwinsville teams would be at an extreme disadvantage if they took the time off while others are playing. In addition, it would be unfair to ask other schools to reschedule Baldwinsville contests at another time thus forcing them to play 3, 4, or even 5 games during a week in order to accommodate our athletes.

Athletes who must go away and miss practice and/or contests during vacations can expect that there could be some effect on their standing on the team, their playing time, their chances of making a team when cuts take place, and their ability to earn potential athletics awards. Athletes who finish a season while away on vacation may have consequences carry over to their next sport season.

## **School Cancellations**

If school is canceled due to weather, there will be no practices or games for that day.

## **Protocol for Athletic Concerns**

If a concern/situation presents itself during the season, below is the protocol to address the concern/situation. As a reminder, there is a 24-hour rule for speaking with coaches after a meet/match/game. At the end of a contest, coaches have other responsibilities they need to complete before they leave. It may also be an emotional time for everyone.

As a reminder, parents/guardians and student athletes ***will refrain from speaking with coaches about such issues as playing time, athletic ability, and team strategy insofar as they relate to student athletes other than their own child.***

- **Step 1:** Student athlete meets with coach:

As soon as practical, the student-athlete who has the problem or concern should first attempt to resolve the problem with the coach. A meeting should be requested/scheduled with a coach at an appropriate time and in a private location on school grounds before school, during the school day when both player and coach have a free period, or following practice. – *if not resolved;*

- **Step 2:** Student athlete & parent/guardian meets with coach –

As soon as practical, the student-athlete & parent/guardian may set up a scheduled meeting with the coach. At this point, the problem or concern will need to be identified and discussed with specific information related to the cause of the problem or concern. The student-athlete should be able to communicate his/her expectation (including a plan) for a resolution to the problem. – *if not resolved;*

- **Step 3:** Student athlete, parent/guardian and coach meets with the Athletic Director -

At this level, it is important to have a record of communications with the coach so we can all be on the same page to try to find a resolution.

## **Sportsmanship**

1. Gain an understanding and appreciation for the rules of the contest. Being well informed is essential. Know the rules. If you are uninformed, refrain from expressing opinions on decisions made by officials, coaches and administrators.
2. Exercise representative behavior at all times. The true value of interscholastic competition relies upon everyone exhibiting behavior which is representative of a sound value base. Your behavior influences others whether you are aware of it or not.
3. Exhibit respect for the officials. The officials of any contest are trained, impartial arbitrators who perform to the best of their ability. Mistakes by all those involved are a part of every contest. We should not rationalize our own poor or unsuccessful behavior by placing responsibility on an official. A rule of good sportsmanship is to accept and abide by the decision made.
4. Openly display respect for the opponent at all times. Opponents are guests and should be treated cordially, provided with the best accommodations, and accorded tolerance at all times. Be a positive representative of your school, team or family.

5. Display pride in your actions at every opportunity. Never allow your ego to interfere with good judgment and your responsibility as a school representative. Regardless of whether you are an adult, student, player, coach or official this value is paramount since it suggests that you care about yourself and how others perceive you.

## **BCSD Spectator Sportsmanship Policy**

The Baldwinsville Central School District (BCSD) believes in the educational value of Interscholastic Athletics, and therefore emphasizes the importance of good sportsmanship and equitable competition. Student-athletes are expected to follow the rules and play to the best of their abilities while demonstrating good sportsmanship, and spectators are expected to encourage and to cheer positively for their teams. At times, when people get emotionally caught up in the competition, they cross the line between encouraging and discouraging, positive and negative. Therefore, the BCSD has implemented rules to apply to spectator behavior, similar to those that already exist for players and coaches.

Behavior that degrades, humiliates, intimidates or threatens a player, coach, referee, school official or another parent/guardian, or fan before, during or after a contest is subject to action by school personnel. Anyone who engages in misconduct as described above, or who is removed from an interscholastic contest at the request of a game official or school personnel, will be subject to the following:

- **1st Offense:** Offender(s) removed immediately from the contest and prohibited from attending the NEXT contest of that sport. (Whether the contest is home or away). If it is the last contest of the season, the penalty carries over to the next season.

- **2nd Offense:** Offender(s) prohibited from attending ANY contests in that sport for the remainder of the season in question (fall, winter, spring). If it is the last contest of the season, the penalty carries over to the next season.
- **3rd Offense:** Offender(s) prohibited from attending ANY HOME OR AWAY school district athletic events for one full calendar year, commencing from the date of the 3rd offense.

## **NYSPPHSAA Spectator Sportsmanship Information**

### **NYSPPHSAA Sportsmanship Committee & NYSPPHSAA Sportsmanship Spectator Regulations**

“Any negative, inappropriate, derogatory comments or actions that brings direct attention to a supervisor or school administrator by a spectator or group of spectators are required to be addressed by the host school, Sectional or NYSPPHSAA representative in the following non-sequential order depending on the comments or behavior:

- **First warning** – Directing the spectator or group of spectators to refrain from any negative comments or actions.
- **Second warning** – A personal discussion with the spectators or group of spectators on the above NYSPPHSAA expectations and reminding the spectators or group of spectators of the next step, removal of the game or event, will be utilized if the behavior continues.
- **Removal from the contest** – The spectator or group of spectators will be directed to leave the facility for the remainder of the game or event. If spectators or group of spectators refuse to leave the game or event, play will be stopped until they vacate the premise.

**Penalty for being removed from a game or event:** Any spectator removed from a game or event will have a minimum penalty of completing the NFHS Parent Credential course or a one game suspension before they are allowed to attend any interscholastic event. Once the course is completed the spectator will provide a certificate of completion to the athletic department office. Schools are required to communicate with the offending spectator on the NYSPPHSAA Sportsmanship Spectator Expectations.

- Depending on the severity of the behavior/comments or future disqualifications by the offending spectator NYSPHSAA and the Section may get directly involved in the situation.

**Note:** A school may take any or all these actions during or after an interscholastic contest.
