

LEVEL 1: DEFINING OBJECTIVES

USERNAME: Carlos O. M.

Type: Momentum Trader

I chose this because I have a go big or go home personality and it's how I approach a lot of the things in life.

Time Availability:

Swing Trading because I have school and it will take up a huge chunk of my time. Would probably have about 1-2 Hours a day of looking at the charts.

Risk Profile:

I am 20yrs old and do not have too much extra money lying around nevertheless I am willing to take a little bit of risk but not put myself in a position which could take me out of the market.

Asset Class:

Commodities as underlying.
