

## Privacy Policy for "Daily Business Quotes" App

Last updated: 12.07.2023

This Privacy Policy details the processes regarding the collection, use, and disclosure of your personal information by the "Daily Business Quotes" mobile application ("App") provided by us. We prioritize your privacy and are committed to safeguarding your personal data. Your use of the App implies your agreement with the collection and use of your information as elucidated in this Privacy Policy.

### Information Collection

#### 1.1 Personal Information

We do not gather any personally identifiable data when you utilize the App.

#### 1.2 Non-Personal Information

The App may automatically collect non-personal information during your usage. This data may comprise of your device type, operating system, IP address, and usage patterns. This data aids us in identifying trends, managing the App, and gaining a comprehensive understanding of our user base. This data does not allow individual user identification.

### Use of Information

#### 2.1 Personal Information

Since we do not accumulate any personally identifiable data, your personal data is not used by us.

#### 2.2 Non-Personal Information

We may use the non-personal data gathered from you to enhance the App's functionality, customize your user experience, and comprehend user interactions with the App.

### Data Retention

As we do not gather personal data via the App, we do not retain any such data.

### Data Sharing and Disclosure

#### 4.1 Service Providers

We may collaborate with third-party entities and individuals to render services on our behalf or help us in analyzing App usage. These third parties can access your non-personal data exclusively for accomplishing specific tasks for us and are obligated to not disclose or use it for any other purpose.

#### 4.2 Legal Requirements

If lawfully required or in response to a valid legal order from a government or law enforcement agency, we may disclose your non-personal information.

### Security

We adopt reasonable security measures to safeguard the non-personal data collected through the App from unauthorized access, disclosure, alteration, or destruction. However, please note that no method of electronic transmission or storage over the internet is entirely secure, and we cannot assure absolute security.

### Third-Party Services

The App may have links to third-party websites or services. This Privacy Policy does not extend to such third-party services, and we are not accountable for their privacy protocols or content. We urge you to review the privacy policies of any third-party services you may access through the App.

### Advertising

The App may show advertisements supplied by Google Mobile Ads or other ad networks. These ads may collect non-personal information about your visits to the App and other websites to deliver targeted ads. We have no control over the data gathered by these third-party advertisers.

### Children's Privacy

The App is not designed for children below 13 years of age. We do not intentionally collect personal data from children under 13. If you are a parent or guardian and suspect that your child has shared personal data with us, please contact us, and we will delete such data from our systems.

### Your Choices

You can opt-out of receiving targeted ads by adjusting your device's advertising preferences. Note that opting out does not remove ads from the App but prevents them from being tailored based on your specific interests.

### Changes to this Privacy Policy

We may periodically revise this Privacy Policy. Any changes will be posted on this page, and the "Last updated" date will be updated accordingly. We encourage you to review this Privacy Policy regularly to stay updated about any changes.

### Contact Us

If you have any queries or concerns about this Privacy Policy, please contact us at [contactdreamsense@gmail.com](mailto:contactdreamsense@gmail.com).
