H2 Denver Med Spa FAQs

H3 Where is this Denver medspa located?

Our Denver med spa is conveniently located right outside the city of Englewood, Colorado. For detailed driving instructions, contact our facility to learn more.

H3 What are the most popular services offered at this Denver medspa?

Hollywood Body Laser Center's Denver location is proud to be a leading provider of the most popular non-surgical fat reduction treatment, CoolSculpting. In addition, we also provide a wide variety of professional aesthetic services, including fillers, other injectables, chemical peels, and different skin-perfecting treatments.

H3 What should I wear to a Denver medical spa?

It is important to wear comfortable clothes when you visit our Denver medspa. We want our clients to be as comfortable as possible during their aesthetic treatments. This is why wearing loose, comfortable-fitting clothes to your appointment is a good idea.

H3 What should I do before my appointment at a Denver med spa?

You should do a few things depending on the service you are receiving at our Denver medspa. For example, if you are receiving Botox or dermal fillers, you should show up to your appointment with a clean and fresh face. If you're coming in for CoolSculpting, we recommend you wear loose and comfortable-fitting clothes to make the applicator placement easy and comfortable for you.

Ask our specialists during your consultation to learn more about what to expect during your appointment.

H3 Do Denver medspas offer specials or discounts?

Yes, our Denver medspa usually hosts a wide variety of specials and discounts. Whether this is a new client special or we are running discounts on particular services, you can generally always get a good deal on your aesthetic services in Denver. During your consultation, you can speak in-depth about pricing and payment plans.
