Date	Item – Tasks to Do	Progress Remarks / Action/ Reflection	Student's Signature	Lecturer's Remarks
<b>Week 1</b>	Do a cover and Literature Review Matrix	The first week, we were briefed about our MIB which contained expectation and result of the end of the task. The lecturer has also told us where we can get or look for our class material.  We need to make a matrix reviewing what we have know about all the literature we have read.	Metta.A	
<b>Week 2</b>	Literature Review	Finishing the Matrix and continuing working on Dissertation Draft (section 2)	Metta.A	Finish the Matrix otherwise there will be a snowball effect
<b>Week 3</b>	Research Methodology	No Class -	Metta.A	No Class
<b>Week 4</b>	Result Analysis and Discussions	This week I had to remake the introduction of my methodology because it was too straightforward to the point. As well as other methodologies, to make it readable.	Metta.A	General Feedback: <ul style="list-style-type: none"> <li>● Research Design Diagram</li> <li>● Justify why the research where design in such way</li> <li>● Exploratory Research</li> <li>● Do the participants qualify?</li> <li>● Interpretation of finding can't be biased</li> </ul> Personal Feedback <ul style="list-style-type: none"> <li>● Fix Introduction</li> </ul>

<b>Week 5</b>	Result Analysis and Discussions	For this week we going to need to start to write our findings and discussions	Metta.A	General Feedback: <ul style="list-style-type: none"> <li>• Summary conclusion</li> <li>• Describe the purpose of the questions</li> </ul>
<b>Week 6</b>	Complete Discussion	This week we are having feedback session for the recent progress of our dissertation writing. I was progress slowly with mine.	Metta.A	General Feedback: <ul style="list-style-type: none"> <li>• Conceptual Framework</li> </ul>
<b>Week 7</b>	Disertation Task progress feedback	the lecturer explains what is expected in the dissertation.	Metta.A	<ul style="list-style-type: none"> <li>• The disadvantage of methodology</li> </ul>
<b>Week 8</b>	Dissertation Task Progress	We don't have class this week so I continue doing my dissertation writing	Metta.A	
<b>Week 9</b>	E-book Task Progress	This week we are going to show our E-book moodboard. My book concept wasn't good because it didn't have a certain targeted age or people who is going to read my book, so my book look childish which is not the target I was going for.	Metta.A	Dr. Hayati ask me what concept I was going for my book and who am I targeting my book to. She then gave me her opinion and suggestion to improve my design.
<b>Week 10</b>	Task feedback	This week we are having feedback on our e-book progress. I was having a bit of trouble trying to make consistency for my book concept.	Metta.A	Dr. Hayati gave me suggestion and direct me on which style that I can use with a similar theme.
<b>Week 11</b>	Task feedback	This week Dr. Hayati inform us about our task deadline and give use feedback on our task	Metta.A	For next week is the final submission of dissertation and E-book publication
<b>Week 12</b>	Submission of our final dissertation and E-book desgn	We don't have class this week, so I continue to finishing my task.	Metta.A	
<b>Week 13</b>	Task feedback	In this week's lecture I take a look at how others did their last task because I was unsure how to do this, so after this, I will start doing my KREATE.	Metta.A	General Feedback Dr. Hayati gave guidance to students how to improve their task.
<b>Week 14</b>	Task feedback	I overslept and didn't join today's lecture so I look at the recordings.	Metta.A	
<b>Week 15</b>	KREATE progress and submission	This week is the final submission for the last task and weekly progress, so I used it to finish my KREATE.	Metta.A
