

PLC Minutes

Subject/Grade Level: Science / 8-9	Date of Meeting: 9-4-13
Members Present:	Ken, Duane, Don,
Content objectives discussed (BEAR Necessity)	Scientific Measurement skills, Properties of Matter: Standard 1
Data Indicators	First Quiz showed 80% average in Oxborrow, Fillmore to share quiz results
Next step for students who are succeeding or are proficient	Develop breadth of knowledge with higher level activities
Next step for students who are struggling or not proficient	Interventions begin next week
Questions/issues/areas in need of further clarity	Mr Fillmore requested from Terry Jackson a visitor, to expand the gradebook tasks to support teaching and grading.
Plan for next meeting (next BEAR necessity to be covered)	We will follow last weeks agenda again, due to spending time with district personnel director.

-List concerns or support you need from outside your PLC team... (Administration, training)
