

### Clear Pink Sphere Ioun Stone

(from Dragon Magazine #174)

This ioun stone, also known as "spirit storage," has no apparent benefit until the user receives a death blow in combat. The user's essence is transferred into the ioun stone, where it can be easily returned to the body through the power of a *restoration* spell (body will have 1 hp, however). The cursed version makes it impossible to ever *raise* the dead character, except through the use of a *wish* spell.

	<b>XP Value</b>	<b>GP Value</b>
Cursed:	—	2,500
Normal:	300	5,000
