

# Summer Programs 2024

## Job Announcements

**\*Job IDs and links will be added on a rolling basis as jobs are released on Frontline\***

THE NEWARK BOARD OF EDUCATION  
765 BROAD STREET, NEWARK, N.J. 07102-3101  
ROGER LEÓN, SUPERINTENDENT

# SUMMER EMPLOYMENT INFORMATION

**Thank you for your interest in summer employment with Newark Board of Education! Before you apply, please review the following information designed to address the most frequently asked questions about summer jobs at NBOE.**

## **ELIGIBILITY:**

Only current employees of Newark Board of Education may apply and be hired for summer positions. Retiring or separated employees are not eligible.

Applicants are only eligible for positions comparable to what they hold during the school year. (For example, administrators may apply for administrator positions; teachers may apply for teaching positions, etc.) Please read the required certifications/qualifications carefully before applying.

Twelve-month employees are not eligible for summer positions.

## **HOW TO APPLY:**

All applications must be submitted through Frontline.

Carefully review the postings provided in this document, which are listed by position. Below the table for each position are the applicable available programs.

You will use the linked Job ID provided in the table to access the correct application and select your program(s) of choice. Please select only programs that are available for your position.

All summer school job candidates must provide answers to interview questions in their application. The interview questions contained in the application give applicants an opportunity to share how they hope to contribute to students' experience in our Summer Programs.

Candidates applying to multiple programs: Staff selected for a particular program will be eliminated from consideration for other conflicting programs.

You may apply for and receive multiple offers for jobs whose dates and hours do not conflict (Teacher for English Plus and Teacher for Summer Bridge)

## **NOTIFICATION OF JOB OFFERS:**

Candidates are notified on a rolling basis, until all positions are filled. Employees who are offered a summer position will receive an offer letter via district email, which will include a unique link for you to accept or decline that offer within 24 hours. You must be logged into your NPS account to access the response form. You are not eligible to be hired in any other role until you have responded. Applicants who are not selected do not receive notification.

## **EMPLOYMENT CONDITIONS:**

Offer and acceptance of a summer position does not guarantee employment for the duration of the summer program. Summer position(s) are contingent on student enrollment and the availability of funds.

The District reserves the right to cancel a class and/or program at any location due to student enrollment or funding.

Should a class and/or program be discontinued at any location, an employee's assignment may be canceled, and the employee shall only be paid for actual hours worked.

An employee may be dismissed from the program due to conduct or inefficiency.

Summer staff do not get paid for lunch.

| <p><b>Summer Visual and Performing Arts Academy</b></p> | <p>The Summer Visual &amp; Performing Arts Academy is an art-focused enrichment program for students entering grades 6-8. Visual &amp; Performing Arts Educators will guide students in a joyful and nurturing exploration of the artistic disciplines of Dance, Music (Instrumental &amp; Vocal), Theatre, Visual Arts, and Creative Writing. This is an exciting opportunity for students currently participating in Visual and/or Performing Arts programs in their schools and students with high interest and potential to learn something new, sharpen their skills, and boost performance levels over the summer. The 5-week Arts Academy takes place at Arts High School and includes field trip experiences. The program concludes with a student performance and art exhibit.</p> | <p>June 27 - Aug 2 (program closed July 4&amp;5)</p> | <p>8:00am - 2:00pm</p> | <p>Principal Standard Certificate OR Certificate of Eligibility for Principal</p> | <p>Visual and Performing Arts teaching certifications (dance, drama, music, visual art) preferred. This position will also manage Culture Creators and High School Musical Theatre programs.</p> | <p>June 24 &amp; June 25</p> |

| <b>Summer Visual and Performing Arts Academy</b> | The Summer Visual & Performing Arts Academy is an art-focused enrichment program for students entering grades 6-8. Visual & Performing Arts Educators will guide students in a joyful and nurturing exploration of the artistic disciplines of Dance, Music (Instrumental & Vocal), Theatre, Visual Arts, and Creative Writing. This is an exciting opportunity for students currently participating in Visual and/or Performing Arts programs in their schools and students with high interest and potential to learn something new, sharpen their skills, and boost performance levels over the summer. The 5-week Arts Academy takes place at Arts High School and includes field trip experiences. The program concludes with a student performance and art exhibit. | June 27 - Aug 2 (program closed July 4&5) | 8:00am - 2:00pm | Principal Standard Certificate OR Certificate of Eligibility for Principal | Visual and Performing Arts teaching certifications (dance, drama, music, visual art) preferred. This position will also manage Culture Creators and High School Musical Theatre programs. | June 24 & June 25 |

| High School Musical Theatre | This summer experience is for students interested in Musical Theater – both on stage and “behind the scenes.” Students will have the opportunity to engage as performers or production designers based on student interests. Performance training will include singing, acting and movement/choreography. Production training will include stage managing, directing, set design, props, costuming, and marketing. Students will achieve a professional and personal understanding of the arts through rehearsals, auditions, performances, and presentations. The summer will conclude with a full-scale musical production. | June 27 - Aug 2 (program closed July 4&5) | 8:00am - 2:00pm | Principal Standard Certificate OR Certificate of Eligibility for Principal | Visual and Performing Arts teaching certifications (dance, drama, music, visual art) preferred. This position will also support Culture Creators and Summer Visual and Performing Art Academy programs. | June 24 & June 25 |

|                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                           |                 |                                                                                                                                |                                                                                       |     |

| <b>CTE- Jump Start</b>           | The Summer Jump Start Program is a great opportunity for 7th & 8th graders to learn about the various Career and Technical Education programs offered in different Comprehensive High Schools. By taking part in this program, students can confidently identify their career interests, explore CTE options available in high schools, and ensure a smooth transition to high school. It's a valuable opportunity that can help pave the way to a successful future. This program will be embedded into the Elementary Summer School Offerings as an extended classroom trip to a Comprehensive High School. | July 8 - July 19                         | 8:30am - 12:30pm | CTE Teacher                                                                    | CTE Teachers of various programs                                                                                                                       | June 24          |
| <b>Montclair Teacher Academy</b> | East Side and University Teacher Academy Students will participate in MSU Summer Teacher Program                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | July 1- August 8                         | 7:45am - 4:00pm  | Teacher                                                                        | Familiarity with program                                                                                                                               | TBD by Montclair |
| <b>HS Enrichment</b>             | HS Enrichment provides non-credit bearing recreation, enrichment, and academic support for current high school students. Activities can include core-subject lessons to prevent learning loss, mindfulness activities to bolster social-emotional learning, sports like teqball, and off-site learning experiences.                                                                                                                                                                                                                                                                                           | July 1 - Aug 2 (program closed July 4&5) | 8:00am - 2:00pm  | All instructional certificates                                                 |                                                                                                                                                        | TBD              |
| <b>HS Acceleration</b>           | HS Acceleration is an intensive 120 -hour program designed to provide high school or dual enrollment credit in select subject areas. Students who participate in accelerated courses must meet all attendance and academic expectations to earn high school credit upon completion of the course.                                                                                                                                                                                                                                                                                                             | July 1 - Aug 2 (program closed July 4&5) | 8:00am - 2:00pm  | Current and valid teaching certificate in the appropriate subject/content area | Cosmetology, French, Pre-Calc, Financial Literacy, Data Science, Data Applications, Cybersecurity, Computer Programming, Health and Physical Education | TBD              |
| <b>Summer Bridge</b>             | The HS Summer Bridge program provides current 8th grade students with an immersive educational experience that will expose them - the school's community and culture, provide them an opportunity to meet faculty and staff, and offer insight into the expectations and demands of high school.                                                                                                                                                                                                                                                                                                              | Aug 12-17 or Aug 19-23                   | 8:00am - 2:00pm  | All instructional certificates                                                 |                                                                                                                                                        | Aug 19           |

| <b>High School Musical Theater</b>                        | <p>This summer experience is for students interested in Musical Theater – both on stage and “behind the scenes.” Students will have the opportunity to engage as performers or production designers based on student interests. Performance training will include singing, acting and movement/choreography. Production training will include stage managing, directing, set design, props, costuming, and marketing. Students will achieve a professional and personal understanding of the arts through rehearsals, auditions, performances, and presentations. The summer will conclude with a full-scale musical production.</p> | June 27 - Aug 2 (program closed July 4&5) | 8:15am - 1:00pm | Teachers of Music, Dance, Drama/Theatre, and Visual Art | Strong interest in musical theatre production and able to develop students for musical production inclusive of singing, acting, dancing, stage design, lighting, etc. | June 24 & June 25 |
| <b>Culture Creators - High School Visual Arts Academy</b> | <p>In this five-week Visual Arts program, students will study with highly talented faculty and artists from Newark and the region. Students will be a part of a community focused on ideas, artisanship, and the exchange of artistic values. Field trips to prominent museums and galleries are included as part of the experience. Working as artists in a studio setting students will develop technique and artistic expression in chosen two-dimensional media. The program will culminate with students curating their art for exhibition in a gallery and participation in a Newark Arts Festival exhibit.</p>                | June 27 - Aug 2 (program closed July 4&5) | 8:15am - 1:00pm | Teachers of Art                                         | Ability to facilitate students to think like artists in the creation of a body of work.                                                                               | June 24 & June 25 |

| <b>Summer Visual &amp; Performing Arts Academy</b> | The Summer Visual & Performing Arts Academy is an art-focused enrichment program for students entering grades 6-8. Visual & Performing Arts Educators will guide students in a joyful and nurturing exploration of the artistic disciplines of Dance, Music (Instrumental & Vocal), Theatre, Visual Arts, and Creative Writing. This is an exciting opportunity for students currently participating in Visual and/or Performing Arts programs in their schools and students with high interest and potential to learn something new, sharpen their skills, and boost performance levels over the summer. The 5-week Arts Academy takes place at Arts High School and includes field trip experiences. The program concludes with a student performance and art exhibit. | June 27 - Aug 2 (program closed July 4&5) | 8:00am - 2:00pm | Visual and Performing Arts teaching certifications (dance, drama, music, visual art) preferred. | Leadership skills. This position will also support Culture Creators and High School Musical Theater. | June 24 & June 25 |
| <b>HS Enrichment</b>                               | HS Enrichment provides non-credit bearing recreation, enrichment, and academic support for current high school students. Activities can include core-subject lessons to prevent learning loss, mindfulness activities to bolster social-emotional learning, sports like teqball, and off-site learning experiences.                                                                                                                                                                                                                                                                                                                                                                                                                                                      | July 1 - Aug 2 (program closed July 4&5)  | 8:00am - 2:00pm |                                                                                                 |                                                                                                      | TBD               |
| <b>HS Acceleration</b>                             | HS Acceleration is an intensive 120 -hour program designed to provide high school or dual enrollment credit in select subject areas. Students who participate in accelerated courses must meet all attendance and academic expectations to earn high school credit upon completion of the course.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | July 1 - Aug 2 (program closed July 4&5)  | 8:00am - 2:00pm |                                                                                                 |                                                                                                      | TBD               |
| <b>Summer Bridge</b>                               | The HS Summer Bridge program provides current 8th grade students with an immersive educational experience that will expose them - the school's community and culture, provide them an opportunity to meet faculty and staff, and offer insight                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Aug 12-17 or Aug 19-23                    | 8:00am - 2:00pm |                                                                                                 |                                                                                                      | TBD               |

| <b>Jump Start</b>                                                     | <p>The Summer Jump Start Program is a great opportunity for 7th &amp; 8th graders to learn about the various Career and Technical Education programs offered in different Comprehensive High Schools. By taking part in this program, students can confidently identify their career interests, explore CTE options available in high schools, and ensure a smooth transition to high school. It's a valuable opportunity that can help pave the way to a successful future. This program will be embedded into the Elementary Summer School Offerings as an extended classroom trip to a Comprehensive High School.</p>             | July 8 - July 19                          | 8:30am - 12:30pm | Current standard teaching certificate issued by the New Jersey Department of Education. | Strong organizational skills and creating schedules. Car required to travel between sites.                                                                                                              | June 24 & June 25 |
| <b>High School Musical Theatre</b>                                    | <p>This summer experience is for students interested in Musical Theater – both on stage and “behind the scenes.” Students will have the opportunity to engage as performers or production designers based on student interests. Performance training will include singing, acting and movement/choreography. Production training will include stage managing, directing, set design, props, costuming, and marketing. Students will achieve a professional and personal understanding of the arts through rehearsals, auditions, performances, and presentations. The summer will conclude with a full-scale musical production.</p> | June 27 - Aug 2 (program closed July 4&5) | 8:00am - 2:00pm  | Teachers of Music, Dance, Drama/Theatre, and Visual Art                                 | Visual and Performing Arts teaching certifications (dance, drama, music, visual art) preferred. This position will also support Culture Creators and Summer Visual and Performing Art Academy programs. | June 24 & June 25 |
| <b>CTE Industry Partnership Opportunities and Work Based Learning</b> | <p>Partnership Programs offer CTE students the opportunity to gain practical experience and skills directly relevant to their programs and chosen careers, through real-world exposure. Industry partnerships further enhance the relevance of CTE curriculums, provide networking opportunities, and introduce students to potential careers in their field of study. These partnerships offer</p>                                                                                                                                                                                                                                  | June 27-Aug. 2 (program closed July 4&5)  | 8:30am - 1:00pm  | Current standard teaching certificate issued by the New Jersey Department of Education. | Strong organizational skills and creating schedules. Good communications skills to work with industry partners. Car required to travel between sites                                                    | June 24 & June 25 |

| <b>Summer Visual &amp; Performing Arts Academy</b> | The Summer Visual & Performing Arts Academy is an art-focused enrichment program for students entering grades 6-8. Visual & Performing Arts Educators will guide students in a joyful and nurturing exploration of the artistic disciplines of Dance, Music (Instrumental & Vocal), Theatre, Visual Arts, and Creative Writing. This is an exciting opportunity for students currently participating in Visual and/or Performing Arts programs in their schools and students with high interest and potential to learn something new, sharpen their skills, and boost performance levels over the summer. The 5-week Arts Academy takes place at Arts High School and includes field trip experiences. The program concludes with a student performance and art exhibit. | June 27 - Aug 2 (program closed July 4&5) | 8:00am - 1:00pm | Social Worker Certification | SEL experiences integrating arts learning in classroom lessons, lesson planning, individual counseling sessions, small group counseling sessions, session documentation, referral and community resources. Will also work with students in Culture Creators and High School Musical Theatre programs at the same location. | June 24 & June 25 |
| <b>HS Enrichment</b>                               | HS Enrichment provides non-credit bearing recreation, enrichment, and academic support for current high school students. Activities can include core-subject lessons to prevent learning loss, mindfulness activities to bolster social-emotional learning, sports like teqball, and off-site learning experiences.                                                                                                                                                                                                                                                                                                                                                                                                                                                      | July 1 - Aug 2 (program closed July 4&5)  | 8:00am - 2:00pm | Social Worker Certification |                                                                                                                                                                                                                                                                                                                            | TBD               |
| <b>HS Acceleration</b>                             | HS Acceleration is an intensive 120 -hour program designed to provide high school or dual enrollment credit in select subject areas. Students who participate in accelerated courses must meet all attendance and academic expectations to earn high school credit upon completion of the course.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | July 1 - Aug 2 (program closed July 4&5)  | 8:00am - 2:00pm | Social Worker Certification |                                                                                                                                                                                                                                                                                                                            | TBD               |
| <b>Summer Bridge</b>                               | The HS Summer Bridge program provides current 8th grade students with an immersive educational experience that will expose them - the school's community                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Aug 12-17 or Aug 19-23                    | 8:00am - 2:00pm | Social Worker Certification |                                                                                                                                                                                                                                                                                                                            | TBD               |

| <b>Extended School Year (Elem)</b>             | The Extended School Year program focuses on ensuring students maintain skills that are at risk of regression or recoupment. This program provides instruction based on the student's IEP goals and while it may address academics, instruction may also focus on self-help, social skills, emotional support, physical mobility, communication, and vocational skills. ESY has integrated and self-contained classes for grades PK-8. The ESY program is designed to support exceptional learners with an IEP. ESY must be designated in the student's IEP. | June 27 - Aug 2 (program closed July 4&5) | 8:15am - 12:30pm |  | Supporting students with IEP Goals (SEL, behavior & academics) | June 24 |

# Attendance Counselor

**JOB ID 1652**

(Pending availability of funds and Board of Education approval)

The Superintendent invites qualified and interested persons to apply for the position of Attendance Counselor.

## QUALIFICATIONS AND REQUIREMENTS

Appropriate Bachelor's degree from an accredited college or university.

Applicants who do not possess the required education may substitute experience in teaching, guidance counseling, or social work or experience in the collection and investigation of information regarding school absences on a year for year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

Appointees will be required to travel throughout the City of Newark and surrounding areas and possess a driver's license valid in New Jersey as the operation of a vehicle, rather than employee mobility, is necessary to perform essential duties of the position.

Must be available to work the entire length of the program, including in-service and orientation days.

## CERTIFICATIONS

# Nurse Aide

## JOB ID 1654

(Pending availability of funds and Board of Education approval)

The Superintendent invites qualified and interested persons to apply for the position of Nurse Aide.

### QUALIFICATIONS AND REQUIREMENTS

One (1) year providing non-professional care services in a medical setting.

In accordance with N.J.A.C. 8:39-43.2, appointees are required to possess a valid New Jersey Nurse's Aide Certification, issued by the New Jersey Department of Health and Senior Services within four (4) months of the date of initial appointment.

This certification process requires completion of a ninety (90) hour training course for Nurse's Aide in long term care facilities. Candidate must also successfully pass a competency evaluation program, consisting of skills and a written/oral examination, prior to certification as a Nurse's Aide in a long term care facility.
