

This Privacy Policy describes how Humzy ("Developer") collects, uses, and protects personal information obtained through the use of Bloxfruits Combos ("Bot"). By using the Bot, you consent to the practices outlined in this Privacy Policy. If you do not agree to this Privacy Policy, please refrain from using Bloxfruits Combos.

Information Collection

- **User-Provided Information:** When you interact with Bloxfruits Combos, the Developer may collect certain personal information, including but not limited to Discord user IDs, server IDs, and any other information you provide voluntarily.
- **Usage Information:** The Developer may collect information about your interactions with Bloxfruits Combos, including commands used, server activity, and other usage data. This information is used for statistical analysis and to improve the functionality and user experience of Bloxfruits Combos.

Use of Information

The Developer uses the collected information for the following purposes:

- to provide and maintain Bloxfruits Combos's functionality and features;
- to respond to inquiries, support requests, and provide assistance;
- to personalize and enhance the user experience of Bloxfruits Combos;
- to monitor and analyze trends, usage, and activities related to Bloxfruits Combos;
- to detect, prevent, and address technical issues, violations of terms, or fraudulent activities; and
- to comply with legal obligations and protect the rights, property, or safety of the Developer and Bloxfruits Combos users.

The Developer does not sell, trade, or rent personal information collected through Bloxfruits Combos to third parties without your explicit consent. However, the Developer may share non-personally identifiable information with trusted third-party service providers to facilitate the provision of Bloxfruits Combos's services or for statistical analysis.

Data Storage and Security

The Developer takes reasonable measures to protect the personal information collected through Bloxfruits Combos from unauthorized access, disclosure, alteration, or destruction. However, no method of data transmission or storage is completely secure, and the Developer cannot guarantee the absolute security of your information.

The personal information collected through Bloxfruits Combos is stored on secure servers or trusted third-party platforms, which may be located in different countries. By using Bloxfruits Combos, you consent to the transfer of your information to these locations.

Data Retention

The Developer will retain personal information collected through Bloxfruits Combos for no longer than necessary to fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required or permitted by law.

The Developer will delete or anonymize personal information upon request, subject to any legal obligations to retain certain information.

Third-Party Links and Services

Bloxfruits Combos may contain links to third-party websites, services, or resources that are not controlled or operated by the Developer. This Privacy Policy does not apply to any third-party websites or services, and the Developer is not responsible for the privacy practices of such third parties. We encourage you to review the privacy policies of those third parties before interacting with them.

Children's Privacy

Bloxfruits Combos is intended for users who are at least 13 years old. The Developer does not knowingly collect personal information from children under the age of 13. If the Developer becomes aware that personal information has been collected from a child under the age of 13, the information will be promptly deleted.

Changes to the Privacy Policy

The Developer reserves the right to update or modify this Privacy Policy at any time. Any changes will be effective immediately upon posting the revised Privacy Policy. It is your responsibility to review this Privacy Policy periodically for any updates.
