#1: Link Cloaking

Subjects:

The 30% of commissions you never see...

How to keep an extra 30% in the next 10 mins...

Did you know they're dipping in to your pocket for 30%..?
Fix the holes in your cash bucket...

Body:

Hi,

whatever you're promoting as an affiliate marketer there's up to 30% of your commissions that are just gone before it gets to you...

How?

If you're using links that aren't cloaked then people are stealing your commissions!

affiliate marketing isn't an unknown dark art anymore, most people recognise an affiliate links, and MANY of them will happily sign up to the offer themselves and use their own link!

and that's not the only way that you're losing commissions...

there's offers that end without letting you know

then there's pages that get hacked or expired domains

and of course there's links that get blocked by social sites like Facebook

That's a whole bunch of holes in your bucket of cash that are leaking your money out!

You can fix that bucket, and block ALL those holes in minutes with this new Smart Links plugin for WordPress!

#2: Social Media Linking

Subjects:

Is your link cloaker losing your commissions..?

Does your link cloaker do its job?

Are your links showing up on Social Media?

How to share your affiliate links on FB...

Body:

Hi,

if you've been an affiliate for more than a week or two you'll probably already know you need to cloak your links to protect your commissions...

but is your link cloaker actually doing what you need?

have you tried posting an affiliate offer from JVZoo, WarriorPlus, Clickbank etc. on Facebook recently?

and it's not just FB, most big social media sites have started blocking a whole bunch of affiliate network links, they give you a message saying your link doesn't meet their 'standards'...

it's painful, and expensive, to us affiliate marketers, we're losing a massive chunk of our audience!

which is why the new 'Smart Link' plugin for WordPress is so amazing, it fixes this!

you can post to the big social sites again...

and it's the simplest way I've seen for tracking which of your links get clicked, so you tell straight away where your traffic is actually coming from!

better yet, the plugin is on an early bird discount offer right now!

#3: Linking problems fixed

Subjects:

Why your links don't work...

Did you know your links aren't working..?

Fix your affiliate links (6 ways links are broken)

Body:

Hi,

Does your link cloaker do what it's supposed to?

Most have more than one of these problems:

- not protecting links from affiliate networks that are 'unapproved' by big social sites
- ugly shortened links that don't create visitor trust
- redirected cloaked links flagged & blocked by social networks
- sending traffic to dead or expired offers/pages
- no meta data on social sites – the lack of descriptions & images reduces trust & clicks

which is why most link cloakers cost you between 10% and 30% in lost commissions, without you ever realising it...

it's another one of those dirty little secrets that stops you getting the real success you deserve!

so here's how you can fix it today, and you can do so in just minutes!

The brand new 'Smart Links' cloaker plugin for WordPress takes care of these problems for you in one go!

AND it let's you track which of your links are getting clicks...

AND where those clicks are coming from, so you know what's actually working!

Smart Links is the quickest way of boosting your affiliate commissions right now...

Check out the demo video here while it's on the early bird special offer:

#4: Unlimited Site license **Launch Offer Only**

Subjects:

There's no limits today...

Unlimited Site License - Limited Offer!

Use the Smart Linking Tech on ALL your sites...

Body:

Hi,

when was the last time you tried sharing a JVZoo, WarriorPlus or Clickbank affiliate link on Facebook?

I bet you got that annoying disallowed message right..?

Not any more!

The new Smart Links WP Plugin uses some really clever 'bridge pages' tech that means you can share those affiliate network offers again...

AND you can use a tracking pixel on your cloaked links!

So you ever wonder which of the links you put out there actually bring the traffic in?

Which links are pulling in the commissions for you?

Smart Links gives you that data as well, so you can concentrate on sharing your links in the places that actually work for you!

Smart Links is the quickest way of boosting your affiliate commissions right now...

IMPORTANT UPDATE: the guys are offering this with an Unlimited Site License right now, but only for the next couple of days as part of their launch offer...

Check out the demo video here while it's still available:

#5: Post on FB

Subjects:

Your Link Goes Against Our 'Community Standards'... :-O
How to share your JVZ, W+ & CB affiliate Links on FB...
See if your link cloaker will do this!

Body:

Hi,

Facebook doesn't like you sharing your JVZ, W+ or Clickbank affiliate links!

if you try you'll get a polite message telling you the link doesn't meet their 'community standards'...

There's only one link cloaker that get's around this and enables you to share your links on ANY social media site

and it's because this 'cloaker' uses some pretty simple, but smart technology called 'bridge pages', which also means you can pop a tracking pixel on the link too!

and when it comes to the tracking ID's, your can do pretty much anything, on the fly...

The Smart linking plugin take affiliate link cloaking to the next level!

AND for the next couple of days they're also including an UNLIMITED site license...
