"Together we grow, Together we succeed!"

September 9, 2026

Dear Parents and Guardians:

We invite you to "Open House," an evening designed to give families an overview of the curriculum and an opportunity to experience classroom routines and daily schedules. We strive to develop an effective partnership between home and school from the beginning of the school year.

"Open House" will take place this year according to the following schedule.

Tuesday, September 22, 2026	
5:30-6:00 PM	3-5 Classroom Visit (Session I)
6:00-6:30 PM	3-5 Classroom Visit (Session II)
6:30-7:00 PM	***Cars leave the parking lot to make room for the next session.***
7:00-7:30 PM	K-2 Classroom Visit (Session I)
7:30-8:00 PM	K-2 Classroom Visit (Session II)

We have scheduled two sessions of classroom visits for each grade to accommodate families with multiple children. Parents and guardians need only to attend one session. ***Teachers of special subjects (Explorations, Music, PE, Library, Art, ELD, Speech, and Reading Specialists) will also be available from 6:00 to 7:00. They will be located together in the library.*** Teachers of Special Education will be notifying parents when they will be available during classroom visits.

We would like you to meet the teachers without distraction; therefore, we ask that children be left at home, as there will be no supervision of students by school personnel. Parking is available in Lot A (by the traffic light), Lot B, located adjacent to the apartment building, and on the blacktop in the rear of the building**.**

Our priority is to build a strong link between families and school staff, and we want you to feel welcome. Families are essential to the life of our school. We look forward to seeing you and sharing our excitement about the 2026-2027 school year at Copper Beech Elementary School.

Sincerely,

Kimberly Stokes
