If you or your child has 2 routines or less in a row, they must change in the Quick change area backstage in the Green Room.

- **Tips for Quick changes:**
 - Take out your shoe laces for Hip Hop & Tap shoes and replace with black elastic
 - Use low cut hip hop shoes (like tennis shoes) with black socks instead of High Tops
 - Wear a flesh bodystocking so you are always covered (available from our Boutique)
 - Bring a plastic tub to throw everything into as you change & white towel to place costumes on so you don't lose anything in the dark
 - Make sure everything is named!
