

Planning Board Meeting

December 4, 2023

Present: Chairman Bob Salmon, Frank Kaylor, Heidi DuSell, Karl Anderson, Andy Jones, Jason Tardio, Counsel Stacy Marris, and Jill Doss

Chairman Salmon called the meeting to order at 7:00 p.m.

Shipping Container Discussion

Chairman Salmon requested that the Secretary forward the Planning Board that was sent to the Village Board in regard to their recommendation letter relative to shipping containers to the Board members for their review. He also requested that a note be sent to Counsel Bell in regard to any legislation that might be available that other municipalities have adopted in our general area. The Board will be reviewing their letter of recommendation and other language relative to shipping containers at the January meeting.

Training

Counsel Stacy Marris presented to the Board language relative to cannabis legislation and regulations as well as some general information on vaping. She outlined the Villages' status of opting out and what that means. She reviewed various State regulations, licensing, and zoning and commented that the State is still drafting and refining regulations. She highlighted the various types of licensing relative to cannabis; micro business licenses, cultivation license, processor license, cooperative license, delivery license, distributor, nursery license. She noted that a municipality can't zone cannabis out, but general practices of zoning would apply. Enforcement of regulations as was noted, the State has inserted control over enforcement. Counsel Marris also spoke in regard to the Clean Indoor Act and the impact cannabis and vaping have on those regulations. The Board asked many questions. One hour of training was given to each participant. Thank you Stacy for the great topic of discussion and training!

Frank Kaylor commented that someone from U-DigNY is available to speak in January to the Planning Board for additional training time.

The Secretary advised that the Village is hosting a Christmas Dinner on December 16 at 6 p.m. Board members are invited to attend (along with spouse). The Board members were advised to contact Village Clerk Deb Thayer if planning to attend, by tomorrow.
