

Hyaluronic Acid & Collagen Hydrating Micellar Water- 500mL / 16.90 FL OZ

Product Analysis

Light, silky, and deeply quenching, HYALURONIC ACID & COLLAGEN HYDRATING MICELLAR WATER delivers next-level cleansing infused with moisture-restoring actives. This aluminum-free, alcohol-balanced formula combines Sodium Hyaluronate and Hydrolyzed Collagen to help replenish hydration and promote a smoother, more supple complexion. A gentle micellar system—powered by PEG-7 Glyceryl Cocoate, PEG-8, and Polysorbate 20—lifts away makeup, impurities, and excess oil without disrupting the skin's natural barrier. The result is clean, refreshed skin that feels soft, plump, and resilient. Enhanced with Allantoin and Glycerin for comfort and protection, this hydrating micellar water is ideal for normal to dry skin types seeking a cleansing experience that nourishes as it purifies.
