

Basic Info and Payment

Pre order slots are limited. This is to keep me from getting overwhelmed with production since I am the sole creator for The Crafty Lark!

Pre order forms close on Friday October 24th or once all limited slots are full. Announcements will be made VIA Bluesky and The Crafty Lark's story on Instagram when invoices have been sent.

Invoices must be paid within 48 hours of being received or the pre order slot will be made available again. Holds and payment plans are not available.

Payments can be made VIA PayPal or Venmo

Plush Info

Sussy plushies are all minky with appliqued fleece eyes. The hats are also completely handmade. They are constructed of black Aida cloth so they are transparent to an extent. The hat is removable!

The plushes stand 9 inches tall without hat and 11 ¼ inches tall with hat. Sussy is 12 inches long from beak tip to tail tip. The plush is stuffed with high quality polyfil while the base and feet have plastic poly pellet filling for stability and a bit of movement.

SAFETY NOTE: Poly pellets can be a choking hazard. They are securely sewn into a pouch in the plush, but it is advised that children be supervised when interacting with the plush. This plushy is not suitable as a pet toy.

Each plushy is completely handmade which means each plush is unique and may vary slightly from pictures.

Release Timeline

Invoices for pre ordered plushies will be emailed after forms close.

Production on pre ordered plushies will begin on Wednesday October 15th.

My goal is to have all pre orders fulfilled by mid November.

Dates for when Sussy will release to my webstore and Etsy will be announced once pre orders are complete.

Pick Up and Shipping

Shipping and handling will be billed once product is complete using the method you originally paid with.

If you are local and would prefer not to pay shipping and handling, I have limited options available for picking up your pre order!

PLEASE NOTE: I am limiting plushy pick up slots to TWO per con. The option for at con pick up for both Rocky Mountain Con and Daku Con are first come first serve.

If at convention pick up options are full, you will be notified along with your invoice and given the option of either coming to The Crafty Lark to pick up your plush at a set time or paying for shipping and handling.

- If you will be attending Rocky Mountain Con November 8th and 9th, you can pick your plush up from me at the con!
- If you will be attending Daku Con, at con pick up can be arranged for either Saturday November 18th or Sunday November 19th.

Thank you all so much for your support!
