MARKHAM HEATING
& AIR CONDITIONING SYSTEMS
SINCE 1983

Services include markham furnace repair, furnace repair near me, airconditioner repair, air conditioner repair, and complete markham furnace installation. Whether it's a gas furnace issue during Ontario winters or cooling system challenges during extreme temperatures, the team delivers reliable service with professional servicing standards.

How HVAC Services Work

- Book HVAC service online or call us directly.
- A technician arrives at your Torbay Rd location.
- System inspection and diagnostic tests are completed.
- Recommendations and quote are provided.
- Repair, installation, or maintenance is performed.
- Final testing ensures HVAC systems operate safely and efficiently.

HVAC Products and Services Included

Markham Heating & Air Conditioning provides full Heating and Air Conditioning Services designed to handle everything from routine maintenance to complete system upgrades. The team works with air conditioning systems, AC units, Heat Pump systems, gas furnace setups, ductless systems, and mini-split air conditioning solutions.

Installation services include Air Conditioning Repair & Installation, Heating Repair & Installation, Equipment Parts & Replacement, and Preventative Maintenance programs. Advanced HVAC systems may include zoning systems, smart thermostats, and attic insulation solutions to enhance airflow and system longevity.

Repairs often address refrigerant leaks, refrigerant levels, refrigerant lines, clogged filters, blower motor issues, evaporator coil failures, and Thermostat malfunctions. The team also supports gas fireplace servicing, air purification upgrades, and indoor air quality improvements for healthier living environments.

Pricing and Cost Factors

HVAC pricing near Torbay Rd depends on the service type, system complexity, urgency, and required parts. Emergency or same-day service may cost more, while a maintenance plan helps

manage long-term costs and system longevity.

Key factors include system size, AC repair needs, furnace repair requirements, refrigerant leaks, heat exchanger issues, natural gas system safety, and energy efficiency upgrades. Customers may also explore financing options to support larger installations or upgrades.

Safety, Compliance, and Performance

Markham Heating & Air Conditioning follows Ontario safety standards and ensures all technicians are certified technicians with experience handling residential and commercial HVAC systems. Safety checks may include carbon monoxide testing, red tag inspections, and evaluation of heat exchanger performance.

With a focus on energy efficiency, proactive care, and reliable service, the team helps customers reduce energy bills while maintaining consistent cooling performance and heating reliability.

Frequently Asked Questions

How quickly can HVAC service be scheduled near Torbay Rd?

Same-day or next-day service is typically available depending on demand and scheduling.

Do HVAC companies near Torbay Rd offer emergency services?

Yes, many providers offer 24/7 emergency service for urgent HVAC issues.

What HVAC systems can be serviced?

Furnaces, air conditioner systems, Heat Pump units, ductless systems, and ventilation systems are commonly serviced.

Are HVAC technicians licensed in Ontario?

MARKHAM HEATING & AIR CONDITIONING SYSTEMS SINCE 1983

Yes, technicians must meet provincial certification and licensing standards.

How often should HVAC systems be maintained?

At least once or twice per year to ensure energy efficiency and reliable performance.

What are signs of HVAC system issues?

Uneven temperatures, unusual noises, airflow challenges, refrigerant leaks, or rising energy bills indicate potential problems.

Can I get a quote before service?

Yes, estimates are typically provided before work begins.

Is HVAC installation available near Torbay Rd?

Yes, full installation services are available for residential and commercial properties.

Do HVAC companies offer financing options?

Many providers offer financing options to support larger HVAC upgrades.

What nearby areas are serviced?

Nearby areas include Milliken, Unionville, Scarborough, Richmond Hill, and surrounding Greater Toronto Area communities.
