

President's Report August 2022

Hopefully everyone is keeping well. Anyone who has been misfortunate enough to have had Covid will know how draining it is. It took 3 weeks to get the stamina back, without feeling fatigued, to be able to go out on the bike again.

We had a fantastic turnout at the Stumble-Inn lunch to welcome 2 new members starting out on their Ulysses Odyssey, Shelley Churchill and Doug Lovegrove, and we honoured Don Young who has been with the club for over 30 years with a 30-year badge. It was an honour to see both ends of the Ulysses club in 1 event.

We are well into organising the Midwinter Christmas dinner event at Gusto at the end of the month and it looks like we will have a great turnout again.

Due to timing, we have not had a ride since the last report, but this month's 'Ride' is 10 pin bowling this weekend, partly due to the expected wet weather and partly due to allowing other members of the family who don't normally ride, to participate and join in on the fun.

The ACC motorcyclist safety group meeting this morning has been put on hold due to commitments of its participants. We will have Riley McGregor from ACC presenting to us tonight in Inglewood.

Our current membership is 57. There are another 10 or so possible new members informed about upcoming events to encourage them to attend and hopefully join up

Since the last Committee meeting, the following events have taken place – club night at Inglewood Club, the Stumble-Inn Lunch.
