

**Mikal Mahdi is scheduled to be executed on April 11, 2025 by the state of South Carolina for the murder of Christopher Boggs and Captain James Myers, committed when Mikal was only 21 years old. His case highlights the troubling flaws in the justice system's excessive use of solitary confinement on teenagers who've experienced profound childhood trauma and neglect. Please take consistent action in the coming weeks for [#ClemencyForMikalMahdi](#)**
