

Greetings, Robert Goddard Montessori Community,

I hope this message finds you well and that you are having a fantastic day!

I'm thrilled to share that our **STEAM Day** was a tremendous success! It was a day filled with excitement and hands-on learning, and it wouldn't have been possible without the incredible presenters and dedicated volunteers who joined us. A heartfelt thank you to everyone who contributed their time and expertise — your efforts made the day truly memorable for our students.

As we look ahead to this week, please be reminded that **benchmark testing** is scheduled for grades 1 to 8. We encourage our students to do their best as they demonstrate what they have learned so far this year. For any absent students, make-up testing will be held on **Friday, November 15**.

As we move forward, here are a few important reminders and upcoming events:

- **Focus Group with Administration:** Please complete the following Google [form](#) to register for our first data focus group on November 14, 2024, from 8:00 - 8:40 am.
- **National Junior Honor Society Canned Food Drive:** The NJHS is organizing a canned food drive to help those in need. Please see the [flyer](#) for more information on how to contribute.
- **TAG Night:** Talented and Gifted (TAG) Information Night will be held on Thursday, November 14, at 6:00 p.m. via Zoom. This event is open to all families interested in learning more about the TAG program at RGMS. Please register [here](#).

Wishing you a wonderful week ahead filled with learning and joy!
