

AE - 2025 Student

Guideline For Term 1 Course Registration - Student

Step 1 : Log in process

Log in to <https://forms.study.iitm.ac.in/login> using your registered email id. An OTP will be sent to your email id , which you can use to access the registration form.

A screenshot of a web browser showing the login page for IITM. The browser's address bar displays 'forms.study.iitm.ac.in/login/'. The page has a dark orange header with the IITM logo and the text 'IITM BS DEGREE | WEB MTECH'. On the left, there is an illustration of a person sitting at a desk with a computer, and the text 'Welcome Back!' followed by 'Sign in to your account securely.' On the right, there is a section titled 'Login with Email OTP' which includes a text input field labeled 'Enter your email' and a brown button labeled 'Send OTP'.

Step 2 : Personal Details

After logging in, please fill your details under Personal Information. Fields such as your email ID, program, and name will be pre-filled from the database. You only need to enter your gender and mobile number. Once you've filled in these details, click the "Next" button to proceed to the course selection page.

Step 3 : Course Selection

On the course selection page, you'll find course details along with a remarks column. Carefully review the remarks— if a course is marked as "mandatory," you must select both courses by checking the box in the first column. Once you've made your selections, click "Submit" to proceed to the preview page.
