

SL: BeyondFailure can grow...

Hello, Kris!

I know you're busy helping clients lose weight, but I'd like to point out one thing that could help the progress of BeyondFailureFitness.

It's so small that it wouldn't hurt anything...

And, if done right, could generate more clients and revenue.

And so...

I'd like to give you a 2-week trial period worth of value and promise so that you can see how confident I am.

And once it is done...

We can review the results together.

If I do well, we can discuss ways to grow your business even further.

If not, I'll be on my way.

If you are interested, let me know. I look forward to working with you.

Ciao,
