<b>Roll Call (above):</b> <b>Acceptance of Minutes:</b> Mr. Tripp moved, and Mr. Warnero seconded to accept the minutes from the April 12, 2023, all members were in favor.  <b>New Business:</b> <b>Fire Drill</b> – Had the last one for the 2022-23 school year on Monday. There were still issues with the Intercom system, the first All-call Dr. Cuomo made to return to the buildings did not go through at all (this was for SCCTC and Elk Lake), the 2 <sup>nd</sup> all call for just Elk Lake was very quiet and muffled by track, High School and at least part of the Elementary, nothing for SCCTC. Guyette is here, this will still need to be worked on to have fixed. <b>End of Year Activities</b> – Field Days SCCTC Friday, May 12; Elementary May 19; Junior High May 24 and Senior High May 26. Baccalaureate May 28. SCCTC new student orientation May 30 in the Auditorium <b>Graduation</b> – Elementary 6 <sup>th</sup> Grade is May 24 at 6pm in the Auditorium; SCCTC is June 1 at 6pm in Elementary Gym and High School June 3 at 10am in the High School Gym. SRO, Security and PA State Police have all been contacted. <b>Old Business:</b> <b>Monthly walk-through</b> – Have all for May. <b>Monthly Emergency Drills</b> – working on  <b>Other Items:</b> A. Any concerns from committee members. B. Discuss possibly June 1 as next meeting ?in person and virtual June 1 Mr. Tripp brought up there is a plan in place working with Guyette and NEPA Health Care Clinic with outside access. Now the door to the hallway can be opened from the hallway but is locked so as not to be able to go out into the hall from the Clinic. There will be cable ran and double door access installed similar to all our entry doors which have double door entrances. Dr. Cuomo stated major roof project in front of the high school solar panels have been removed, and the chimney will be gone to roof level. Mr. Bach spoke with them this morning hopeful to be done in June. There were complaints of loudness this week, they were pressure washing (prep work) and this is now complete. All exhaust vents are done. Dr. Cuomo asked the status of the Key system in the elementary Mr. Bach stated he has been and will continue to try to get Kelly Brothers to come and finish. Mr. Tripp asked Mr. Warnero about the Gym floors, Mr. Warnero stated Thanksgiving Break would be best to be completed. Dr. Cuomo thanked Marion Austin for our Breakfast items.  <b>Compensation Claims:</b> <b>None</b>
