for 2026-2027

The **AERIES ONLINE ENTRY** window for next year's courses is:

Your completed, signed, course selection form is **DUE** to your English class on:

Monday, February 9th
All classes for periods 1, 3, 5, 7

Tuesday, February 10th
All classes for periods 2, 4, 6

- ☐ **Step 1: Fill out your course selection form.** Choose your courses wisely- the choices you make now will determine your schedule for next year. Schedule changes will *not* be made to accommodate teacher requests, off-campus classes, or extracurricular and athletic activities.
- ☐ **Step 2: Enter your courses online through Aeries.** All students need to register for their classes online using their student or parent Aeries account.
 1. Log into your Aeries account, click on "Classes", then click on "Course Requests Entry".
 2. To choose your classes select "Show All Courses" in the subject area and then press "Search". A screen will appear showing all the courses offered. Please use your completed course selection contract to make your choices.
 3. Select courses by clicking on the course title. The courses you select will be listed on the left.
 4. Confirm that the correct course titles appear.
 5. You must choose an alternate for your elective classes. You can select one alternate per elective in the Aeries Portal; record your additional alternates on the course selection contract.
- ☐ **Step 3: Sign the course selection form. Both student and parent/guardian signatures are REQUIRED** in order to complete the course selection process. Please review the additional schedule adjustment guidelines written on your course selection sheet. It is very important that you have alternates for each elective class chosen.
- ☐ **Step 4: Bring your completed and signed course selection form to your ENGLISH CLASS on your scheduled date (see above).** You will meet individually with your counselor to review your selections at that time.
- ☐ **Step 5: Follow @lcchscounseling on Instagram** for important information, updates, and reminders.
