

SL: Merry Christmas Tim!(connect the sl to the body it must summarize the point of it, but it can be salesly if you wish then write about helping come on!)

Hey Tim,

I've analysed your top competitors like sk:n Sheffield Psalter Lane to understand their sales strategies.(put later that you analyzed)

And found that they're using a Magnet strategy that could increase booking sales and Theraderm Lypoaran Ampoule Serum purchases.(one of five strategies)

I can share a similar strategy for example like sk:n Sheffield Psalter Lane(don't mention full name, write like you speak), showcasing how Magnet strategy could boost attracting new potential customers.

Your dedication to beauty care and your diplomas have motivated me. It made me want to further spread your brand Sheffield Aesthetics & Laser Clinic.(too generic and bs)

Let's discuss this more, is this strategy something you're interested in?
