

# Western Dakota Registrar – Amy Johnson

Starting in July of 2021, The Great Western Network, Roughrider Career and Tech, Central Dakota Distance Learning Consortium, Central Regional Area Career and Tech Center and the Greater NW Career and Tech Center have combined forces to assist schools with registering for their ITV and online courses. Alissa Thiele is the main contact for the registration of distance learning classes as well as the PowerSchool component.

CRACTC, GNWACTC, GWN, and RACTC schools and students will need to use the following sites to login and check assignments and grades. If you have not received your login credentials or need your password reset, please contact [amy.a.johnson@k12.nd.us](mailto:amy.a.johnson@k12.nd.us)

Schools: <https://westernndctc.ps.state.nd.us/teachers>

Students: <https://westernndctc.ps.state.nd.us/public>

Below is a video for site facilitators and administrators that are wanting to check grades for students in their schools :
