A roster protest (this does not include an age protest) must be made before the 1st pitch of the 3rd inning, unless the Tournament Director sets a different deadline.

If a player is listed on the lineup card but not on the USSSA online roster, the offending team will receive a 7-0 loss.

If the player is of proper age/class and not on another roster from a team currently playing in the same event, the team will be allowed to correct their online roster for the next game.
