Building a Stronger Future

A Time For All Palomar College Employees to Learn Together

Save the Dates
Monday August 14th to Friday 18th, 2023

Professional Development: palomar.edu/pd/

Letter from our Superintendent/President

Welcome to Fall 2023 Flex Week! This year's theme, *Forward Together*, is appropriate given the significant accomplishments we have had over the past few years, and the forecast for this upcoming year remains optimistic. Yet, it is clear that our success is the result of our collective effort, and our continued success is dependent on us moving *Forward Together*!

We have a lot to look forward to in the upcoming academic year. Many projects that started over the past year are scheduled to come to fruition this academic year. For example, we are slated to complete our 2035 Educational and Facilities Vision Plan in the coming months. This project involved various campus and community stakeholders over 76 listening sessions and countless planning meetings. Thank you to all who took part in this important planning process that sets the template for the growth of our District over the next 12 years. We also anxiously await the completion of our new softball and football stadiums scheduled to open in 2024. Also, the long awaited ground-breaking for our "Fallbrook 40" permanent structure at the Fallbrook Education Center will take place this spring.

Our commitment to cultivating a culture of *Care, Respect, and Accountability* will also continue in the new year as we engage in creating a caring and supportive environment designed to holistically address the needs of our students. Over the summer we installed basic needs distribution lockers at the San Marcos campus and all three Education Centers. These distribution lockers provide students with access to fresh and nonperishable nutritional food, hygiene products, and diapers. Student access is based on their requested locker location. We are also excited to see the expansion of our new Basic Needs Center, located in the former campus police building. Once renovations are complete, it will provide expanded services to some of our most vulnerable student populations.

A strategic and intentional focus on enrollment remains the priority for this academic year. In continuing our commitment to our long-term fiscal stability, our commitment accounting process and a new bid platform are in full swing. These initiatives are in alignment with ACCJC's recommendation for improved oversight for sound financial decision making and budget management; all of which will be included in our follow-up report to ACCJC in November. As we guide our students along their journey, we will remain steadfast in keeping every classroom, office, and meeting space safe. Diversity, equity, inclusion, accessibility, and antiracism will remain a priority.

It is with gratitude that I recognize the dedication and work of the Professional Development Committee for presenting us with an outstanding agenda. I hope you will take advantage of as many sessions as possible.

Your contributions are integral to the success of our students and the future of our college. I am very appreciative of each of you and look forward to another spectacular year.

On behalf of the Board of Trustees and all our students, I would like to wish you a fantastic start to the Fall 2023 semester! Go Comets!

Go Comets!

Dr. Star Rivera-Lacey

Register for Plenary Workshops - Registration is Open

Register for Plenary workshops using our P³D Portal (which is a part of the statewide Vision Resource Center)

Optimal: You will notice after each course description a direct link for registering for workshops in the P³D Portal. Simply click on the link (highlighted in the example here with the green box), enter your SSO information, and you will be directed to the workshop page. Then it is just a simple click on “Request” and you will soon receive an emailing acknowledging your enrollment.

Note: Most sessions will be held via zoom unless specified as HyFlex with physical room written above the “Register Here” link

Mon 8/15 01:00-2:00 pm	• Transfer Basics This workshop will review the fundamentals involved in the transfer process that everyone should know in order to support our students in the complicated transfer process. Modality: HyFlex (MD-105 and via Zoom)	P.J. DeMaris Brittany Wong	Register Here
---------------------------	--	-------------------------------	-------------------------------

Alternate:

- Go to our [Single Sign On \(SSO\) page](#).
 - Log-in using your network username and password (the same one you use for your Palomar email).
 - Note: If you have problems accessing the P³D Portal through Single Sign On, please contact the helpdesk at 2140 or email helpdesk@palomar.edu*
- Go to LEARNING and select WORKSHOP CALENDAR
 - Note: With so many workshops to choose from, you might find it helpful to switch to the AGENDA view which will put all of the workshops in a list.*
- Find the workshops you plan to attend and click on REQUEST
 - If you are a faculty or administrator, you will automatically be registered after requesting the workshop.
 - If you are a classified, short-term, or student employee, your manager will receive an email to approve/deny your request to register. *Note: If your manager name is not correct in the P³D Portal please contact Human Resources, all employee data in the P³D Portal is pulled directly from PeopleSoft.*

Need help using the P³D Portal? Here are a couple ways to get started:

- Please go to the PD website and review the [P³D Portal Guide](#).
- Watch the [Introduction to Palomar Professional Development video](#) on the homepage of the PD Website.

Faculty Professional Development (Flex) Requirement/Eligibility

Faculty, please review [Article 10 of the PFF contract](#) for contractual information about PD requirement/eligibility.

Full-Time Faculty Professional Development Requirement

Full-Time Faculty are required to complete 42 hours/year and must have all hours officially completed in the *P³D* Portal by 2 weeks before the end of the spring semester. All hours completed after the annual due date are included in the following years total hours.

Part-Time Faculty Professional Development Eligibility

Part-Time Faculty are eligible to be compensated extra pay for officially completing PD hours by the due date. The amount of hours each part-time faculty member is eligible to be compensated for is based on their workload.

PD Eligibility Calculation: Workload x 21 = eligible hours

- To calculate eligible hours for PT Faculty multiply the percentage workload by 21 hours (21 hours represents what a FT Faculty would receive on 100% load per semester).
- Example for a PT Faculty member with 60% load: $0.6 \times 21 = 12.6$ hours
- Part-Time Faculty can see their workload and eligible hours on their welcome screen in the *P³D* Portal.
 - NOTE: If the workload does not look correct, PT Faculty need to contact their Academic Department Assistant to make sure it is correct in PeopleSoft. The workload in the *P³D* Portal is pulled directly from our system of record, PeopleSoft (the PD Office cannot adjust workload in the *P³D* Portal, it must be corrected in PeopleSoft).

Due Dates for Part-Time Faculty PD:

- In the Fall semester PD hours must be officially recorded and completed in the *P³D* Portal between August 1st and December 1st.
- In the Spring semester PD hours must be officially recorded and completed in the *P³D* Portal between January 1st and May 1st.
- NOTE: Completed hours are not accepted after the due date, it is very important to check your Completed Hours Dashboard to ensure all of your hours are reported and counted.

How do you know when your PD hours have been officially completed and counted in your total?

- Check your Completed Hours Dashboard! Your Completed Hours Dashboard will show you exactly what is reported to payroll.
- How to access your Completed Hours Dashboard:
 - Log in to the *P³D* Portal
 - Click on REPORTS
 - Select DASHBOARD
 - REFRESH the graph
- If you are missing hours on your Completed Hours Dashboard, please check these 2 things:
 - 1.) REFRESH your Completed Hours graph. The graph does not automatically refresh.
 - 2.) Make sure you don't have any training that is still Active on your Transcript as "Pending Evaluation" or "Pending Signature". If you have training that is still in a pending status they won't be included on your Completed Hours Dashboard.

How to Join the Plenary Workshops/Meetings Using Palomar Zoom

Steps:

- Step 1: Go to our Palomar Single Sign On to access your Zoom account (it is very important to be logged in to your Zoom account before attending a Zoom workshop/meeting. This ensures you get credit for attending).
- Step 2: Sign in through SSO using your network username and password.
- Step 3: Select the Zoom tile from our SSO
- Step 4: To access the meeting you have two options, 1.) copy and paste the Zoom URL into your browser, or 2.) click on "Join a Meeting" and enter in the Zoom Meeting ID.

Are you using the Zoom App (mobile or desktop)?

- If you are using the app, to log-in click on "Sign in with SSO." You will be asked to enter our company domain name which is "palomar-edu." You will then enter your SSO username and password.

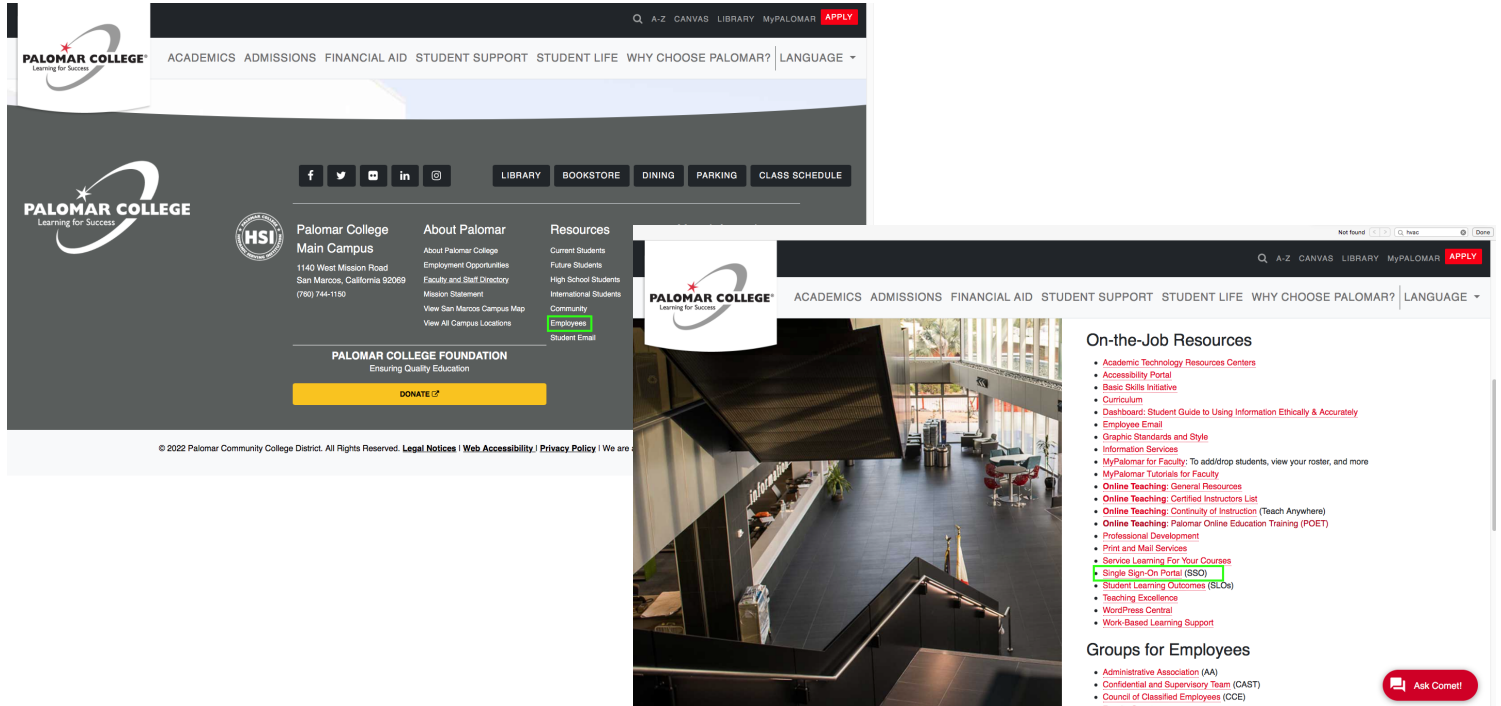

Need help with Zoom?

- If you need help joining a Zoom meeting, please review the Zoom instructions on [How to Join a Zoom Meeting](#)
- If you are having any difficulty with your Palomar Zoom account please contact: support-zoom@palomar.edu
- If you are new to using Zoom, please review the [online self-paced Zoom training available in the P^3D Portal](#)

Palomar College Zoom

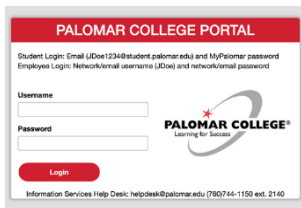

Step 1: Log in to your Zoom account through SSO

Located via “Resources -> Employees” - you can find this first link by scrolling to the bottom of our website

The screenshot shows the Palomar College website. The top navigation bar includes links for ACADEMICS, ADMISSIONS, FINANCIAL AID, STUDENT SUPPORT, STUDENT LIFE, WHY CHOOSE PALOMAR?, and LANGUAGE. The main content area features a sidebar with 'About Palomar' and 'Resources'. In the 'Resources' section, the 'Employees' link is highlighted. The right sidebar lists 'On-the-Job Resources' and 'Groups for Employees'.

Step 2: Use your network username and password (same as accessing email)

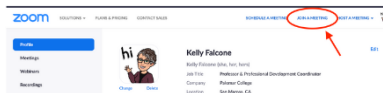

The screenshot shows the Palomar College Portal login page. It includes fields for Username and Password, a Login button, and a link for Information Services Help Desk.

Step 3: Select the Zoom tile to launch your Zoom account

Step 4: Either paste the meeting link into your URL, OR click on "Join a Meeting"

Need help with your Palomar Zoom account?
Contact:
support-zoom@palomar.edu

If you are using the Zoom mobile app or desktop client choose "Sign In with SSO". You will need our domain name.
Palomar Zoom Domain Name: Palomar-edu

The Nuts and Bolts of Teaching at Palomar

August 8th, 5-7:30pm

- ★ Facilitator(s): Professional Development Coordinators: Luis Guerrero and Matt Grills.
 - Description: Everything you need to know to have a successful semester! Please join us for this special workshop facilitated by several Palomar Administrators & the Professional Development Coordinators. This workshop will provide an overview of the basic mechanics of instructor responsibilities, including information about your class syllabus, class rosters, important dates, grading, Instructional and Counseling support services, and more. If you need a refresher or are new to Palomar College, this session will address any questions you might have. By offering this workshop prior to the start of the new semester, we hope to provide you with the information you need to start the semester off on the right foot.
 - Intended Audience: All Faculty
 - P³D registration link: [Nuts and Bolts Fall 2023](#)

Did you miss this wonderful presentation? We will be posting a link of this training shortly after its conclusion. Check back for this fantastic resource.

You can also view and download the presentation ([Click Here](#)). It is filled with fantastic information and links to help navigate the world of Palomar, whether you are a new instructor or have been with the College for a bit of time.

**FLEX
WEEK**

EVERY FLOWER HAS A STEM:

Pedagogy of Cariño and Equity Minded Practices in Mathematics

Dr. Rob Rubalcaba
SD City College

Teaching to **transcend**, we can show students who may have never had a positive experience in math that they still have the potential to thrive in math and science. We will discuss how to implement equity minded practices from Umoja, Puente, HUBU (Hermanos Unidos Brothers United) in our math lessons and classrooms.

Flex Week: Monday, August 14th

Note: Most sessions will be held via Zoom unless specified as HyFlex or In-Person with “locations” shared in the *Workshop/Description* under “Modality”

Day/Time	Workshop/Description	Facilitator	P ³ D Registration Link
Mon 8/14 9:00-10:00 am	• <i>The Do's and Don'ts of Quality Online Courses</i> What does it take for an online course to be deemed a “Quality” course? Join this workshop to identify the strengths of your online course, recognize opportunities you have to improve your online course, and receive tools to support the development and facilitation of a “Quality” course. This workshop will help you understand how to meet the requirements of the CVC Course Design Rubric. Modality: Zoom	Kelly Falcone	Register Here
Mon 8/14 9:00-10:00 am	• <i>Canvas Overview</i> This session will cover the basics of Canvas including setting a homepage, adding files, creating assignments and publishing a course. Modality: Zoom	Shay Phillips	Register Here
Mon 8/14 9:00-10:00 am	• <i>Tour and Open House of the ATRC</i> Many changes have taken place for the Academic Technology Resources Centers department recently. Stop by our new location on the San Marcos campus (first floor of the Humanities building) to see our new spaces, including our newly opened Faculty Technology Center (room H-112), and our two student-serving computer lab locations (Rooms H-102 and H-114). The tour starts in H-114, but we will migrate through all the ATRC spaces during this session. Modality: In Person • H-114	David Gray	Register Here

Mon 8/14 9:00-10:00 am	• <i>Fun in a Zoom Meeting... Really? Absolutely!</i> Zoom classes and meetings are serious matters, but sometimes we need to take it up a notch! Prevent Zoom fatigue using these fun Zoom features in your classes and meetings. This session will touch on Avatars, Virtual Backgrounds, Immersive Views, Video Filters, Studio Effects, Reactions and Non-Verbal Feedback. Modality: Zoom	Lucy Lidot	Register Here
Mon 8/14 9:00-10:00 am	• <i>Curriculum Day: Curriculum & META Basics</i> Are you new to the curriculum process and need a refresher? In this session, you will learn the basics of how to create and update courses and programs. Also, you will be introduced to META, our curriculum platform. You will leave this session with resources to guide you with writing curriculum. *Modality Note: While this session will be in Zoom, a HyFlex session will be offered in the afternoon for those who prefer in-person. Modality: Zoom	Vickie Mellos Ben Mudgett	Register Here
Mon 8/14 10:15-11:15 am	• <i>Student Services Calendars: Events/Outreach/Engagement</i> Come learn how Student Services is leveraging our WordPress Event Calendar and Outlook to centralize on campus events and outreach / community engagement events! Modality: Zoom	Joseph Allen	Register Here

Mon 8/14 10:15-11:15 am	• <i>AI in Education: Transforming Learning for the Future</i> From chalkboards to TV's, calculators, computers, the internet, and Learning Management Systems, education has been shaped by various innovations. Now, we are experiencing a new innovation with the development and use of AI! Join this workshop to learn the basics of AI, explore the transformative possibilities of AI in education, and recognize strategies to address the impact of AI. Modality: Zoom	Kelly Falcone	Register Here
Mon 8/14 10:15-11:15 am	• <i>Using Office with OneDrive</i> Learn how to effectively utilize Microsoft Office with OneDrive to streamline file management, enhance collaboration, and optimize your teaching workflow. Discover the power of cloud storage and seamless integration with Microsoft Office applications, and gain practical skills for efficient file sharing, real-time collaboration, and organizing your course materials. Modality: Zoom	Chris Norcross	Register Here
Mon 8/14 10:15-11:15 am	• <i>Curriculum Day: Diversity, Equity, and Inclusion in Your Curriculum</i> Join us to learn more about the DEI Model Curriculum Principles and Practices developed by the California Community Colleges Curriculum Committee (5C). This framework acknowledges structures that maintain inequality and offers strategies to counter institutionalized racism. You will have the opportunity to explore potential ways you can make your curriculum diverse, equitable, and inclusive. Modality: Zoom	Vickie Mellos Ben Mudgett	Register Here

Mon 8/14 11:00-1:00 pm	• <i>Every Flower has a STEM: Pedagogy of Cariño and Equity Minded Practices in Mathematics</i> Together we will learn how to create safe, supportive, exciting, engaging, FOMO (fear of missing out) classroom experiences that will make students want to change their major to mathematics, computer science, engineering, or one of the many STEM majors in high demand in the job market. Teaching to transcend, we can show students who may have never had a positive experience in math that they still have the potential to thrive in math and science. We will discuss how to implement equity minded practices from Umoja, Puente, HUBU (Hermanos Unidos Brothers United) in our math lessons and classrooms. We will create low floor high ceiling activities from the book Choosing To See a framework for equity in the math classroom by Kyndall Brown and Pamela Seda. We will discuss how to invite, include, encourage, engage, and support Black, African American, Latinx, Chicanx, Indigenous, and Undocumented students without requiring them to change their identity to learn math. Modality: HyFlex (San Marcos Campus MD-157 & via Zoom)	Dr. Rob Rubalcaba	Register Here
Mon 8/14 11:30-12:30 pm	• <i>Learning Alone, Practicing Together: Exploring the Flipped Classroom</i> This workshop will introduce a new and innovative technological teaching tool for instructors. Participants will learn the strategies of implementing a flipped classroom approach in their teaching. Attendees will apply and construct a lesson on their own disciplines. Modality: HyFlex (MD-105 and via Zoom)	Marquette Laquey	Register Here

Mon 8/14 11:30-12:30 pm	• <i>Using the WordPress Block Editor</i> Learn how to leverage the WordPress Block Editor's intuitive interface, explore its powerful features, and unleash your creativity to build engaging and visually appealing websites without any coding knowledge required. Modality: Zoom	Chris Norcross	Register Here
Mon 8/14 11:30-12:30 pm	• <i>Curriculum Day: Legislative Updates & New Program Opportunities</i> In this session, you will learn about several recent legislations (AB-1705, AB-928, and AB-1111) which will have a significant impact on Palomar College along with community colleges across California. In addition, you will be introduced to opportunities for new programs: Competency Based Education and Baccalaureate degrees. Modality: Zoom	Vickie Mellos Ben Mudgett	Register Here
Mon 8/14 1:00-2:00 pm	• <i>Universal Design in Microsoft Office</i> Perhaps you've heard the term "Universal Design" recently. If not, that's okay! We will cover the basic principles of Universal Design (UD) and how to achieve success with it in Microsoft Word and PowerPoint. Clear, consistent, and precise UD is achievable and with it comes accessibility and cohesive layout and styling. Modality: Zoom	Kelly Helming	Register Here

Mon 8/14 1:00-2:00 pm	• <i>Using Open AI (Artificial Intelligence) ChatGPT, and Microsoft Bing Copilot to Proof Assignments</i> This session introduces you to the powerful capabilities of Open AI's ChatGPT and Microsoft Bing Copilot, two innovative artificial intelligence tools. Participants will learn how to leverage these technologies to enhance their assignments. Through practical demonstrations and hands-on exercises, you will discover how ChatGPT and Bing Copilot can be used to answer question prompts. By the end of the session, you will gain valuable insights into how these AI tools can be used to enhance your questions and promote student success. Modality: Zoom	Shay Phillips	Register Here
Mon 8/14 1:00-2:00 pm	• <i>Tour and Open House of the ATRC</i> Many changes have taken place for the Academic Technology Resources Centers department recently. Stop by our new location on the San Marcos campus (first floor of the Humanities building) to see our new spaces, including our newly opened Faculty Technology Center (room H-112), and our two student-serving computer lab locations (Rooms H-102 and H-114). The tour starts in H-114, but we will migrate through all the ATRC spaces during this session. Modality: In Person • H-114	David Gray	Register Here
Mon 8/14 1:00-2:00 pm	• <i>Narcan Training and Distribution per SB367</i> Narcan required training per SB367 will be presented and the locations of Narcan on all the campuses will be provided. Modality: Zoom	Kimberlee Ahinger	Register Here

Mon 8/14 1:00-2:30 pm	• Curriculum Day: Curriculum & META Basics Are you new to the curriculum process and need a refresher? In this session, you will learn the basics of how to create and update courses and programs. Also, you will be introduced to META, our curriculum platform, and given resources. There will be some free time to ask questions and start projects that you may want to launch this year. *Note: This session will repeat the morning session, but will be HyFlex (Computer Lab and Zoom) for those wanting in-person assistance with starting curriculum. Modality: HyFlex (LRC-208 and via Zoom)	Vickie Mellos Ben Mudgett	Register Here
Mon 8/14 1:15-2:45 pm	• UndocuAlly Training with Higher Education Legal Services (HELS) The Higher Education Legal Services (HELS) program w/ Jewish Family Service invites you to an UndocuAlly training! This training is an opportunity for those who are interested in becoming allies of undocumented students and discuss ways to best support this community. We will feature topics such as: immigration context and terms, policies that affect Undocu-students, allyship, and resources to share/refer. This training is intended to be interactive, our goal is to learn and collaborate with each other to share best practices! Modality: HyFlex (MD-157 and via Zoom) Please note...to attend this session, you will need register for the Zoom link. Use the following link - https://palomar-edu.zoom.us/meeting/register/tZEpdCsrzosGtPRmvkwHV5H5Ic6_yL8ZvSF	Rosalinda Tovar Celina Mendoza	Register Here

Mon 8/14 2:15-3:15 pm	• <i>Microsoft Teams and SharePoint Demystified</i> Did you know that Microsoft Teams, SharePoint, and OneDrive can work together to streamline your workflows and day-to-day processes? In fact, here at Palomar, we have many more tools than these available in the Office 365 suite. In this workshop you will learn how to connect Teams, SharePoint, and OneDrive together in a way that makes sense. Modality: Zoom	Kelly Helming	Register Here
Mon 8/14 2:15-3:15 pm	• <i>Coming Soon!!!•The (NEW) MyPalomar Student Center</i> During this session you will get an overview and tour of the Highpoint Campus Experience student dashboard currently under construction. For FAQ and more information visit https://www.palomar.edu/studentservices/mypalomar-highpoint/ Modality: Zoom	Joseph Allen	Register Here
Mon 8/14 2:15-3:15 pm	• <i>What's New in the ATRC?</i> Interested in finding out what the Academic Technology Resources Centers can do for you? Visit us in person for a brief rundown of services available, and to find out what the ATRC is offering to students and employees lately. Modality: In Person • H-112	David Gray	Register Here

Flex Week: Tuesday, August 15th

Note: Most sessions will be held via Zoom unless specified as HyFlex or In-Person with “locations” shared in the *Workshop/Description* under “Modality”

Day/Time	Workshop/Description	Facilitator	P ³ D Registration Link
Tue 8/15 9:00-10:00 am	• <i>New Tools for WordPress Content Managers</i> If you manage a WordPress site or are a member of the Palomar College WordPress community, please don't miss this workshop. We have a toolset for you that helps you locate broken links, missing images, accessibility problems, outdated content, and more. Come and learn about this online site-checking tool! Modality: Zoom	Kelly Helming	Register Here
Tue 8/15 9:00-10:30 am	• <i>CalSTRS: My Retirement Benefits</i> This webinar provides an overview of the CalSTRS hybrid retirement system, your survivor and disability benefits, how your benefit will be calculated, ways you can increase your benefit, and other CalSTRS resources available to you. While this webinar is ideal for new and early educators, members in all career stages can benefit from attending. Especially if this is your first CalSTRS webinar. Modality: Zoom	Amber Diederich	Register Here
Tue 8/15 10:15-11:15 am	• <i>Transfer Basics</i> This workshop will review the fundamentals involved in the transfer process that everyone should know in order to support our students in the complicated transfer process. Modality: HyFlex (MD-105 and via Zoom)	P.J. DeMaris Brittany Wong	Register Here

Tue 8/15 10:15-11:15 am	• <i>New Ways to Listen to Zoom Conversations in Classes and Meetings</i> Have you ever felt like you just wasted your time attending a class or a meeting because you just couldn't hear the conversations in a way that works for you? The CCC TechConnect Zoom team will show you ways to offer better meeting experiences for those who learn differently, who speak a different language, or have a need for hearing support. Modality: Zoom	Donna Gustafson	Register Here
Tue 8/15 10:15-11:15 am	• <i>AI-Generated Content Detection in Copyleaks</i> This session will dive into the world of advanced artificial intelligence and its role in identifying plagiarism. You will gain the skills necessary to harness the power of Copyleaks' innovative technology. Discover how to use Copyleaks' AI-powered content detection through Canvas. Modality: Zoom	Shay Phillips	Register Here
Tue 8/15 10:15-11:15 am	• <i>What's New in WordPress?</i> Find out about new WordPress features and updates. This workshop will help existing users learn what has changed and how to make the most of the new features. Modality: Zoom	Chris Norcross	Register Here

Tue 8/15 10:15-11:15 am	• <i>Coming Soon!!!•The (NEW) MyPalomar Student Center</i> During this session you will get an overview and tour of the Highpoint Campus Experience student dashboard currently under construction. For FAQ and more information visit https://www.palomar.edu/studentservices/mypalomar-highpoint/ Modality: Zoom	Joseph Allen	Register Here
Tue 8/15 10:15-11:15 am	• <i>Tour and Open House of the ATRC</i> Many changes have taken place for the Academic Technology Resources Centers department recently. Stop by our new location on the San Marcos campus (first floor of the Humanities building) to see our new spaces, including our newly opened Faculty Technology Center (room H-112), and our two student-serving computer lab locations (Rooms H-102 and H-114). The tour starts in H-114, but we will migrate through all the ATRC spaces during this session. Modality: In Person • H-114	David Gray	Register Here
Tue 8/15 11:00-12:30 pm	• <i>Prompt Engineering for Educators</i> Discover the transformative potential of prompt engineering for educators. By leveraging CREATE, TAP, and TASTE methods, you can customize prompts to target specific learning outcomes, control LLMs responses through templates, and autonomously generate prompts for dynamic learning experiences. Enhance your teaching effectiveness, student engagement, and foster personalized learning. Modality: Zoom	Luis Guerrero	Register Here

Tue 8/15 11:30-12:30 pm	• <i>Using the WordPress Block Editor</i> Learn how to leverage the WordPress Block Editor's intuitive interface, explore its powerful features, and unleash your creativity to build engaging and visually appealing websites without any coding knowledge required. Modality: Zoom	Chris Norcross	Register Here
Tue 8/15 1:00-2:00 pm	• <i>Learn the Basics of TechConnect Cloud</i> Learn the basics of using TechConnect Cloud (3C Media). Everything from Registering for an account to uploading and sharing your videos both inside and outside of Canvas. Modality: Zoom	Bryan Hilton	Register Here
Tue 8/15 1:00-2:00 pm	• <i>The Do's and Don'ts of Quality Online Courses</i> What does it take for an online course to be deemed a "Quality" course? Join this workshop to identify the strengths of your online course, recognize opportunities you have to improve your online course, and receive tools to support the development and facilitation of a "Quality" course. This workshop will help you understand how to meet the requirements of the CVC Course Design Rubric. Modality: Zoom	Kelly Falcone	Register Here
Tue 8/15 1:00-2:00 pm	• <i>Canvas Overview</i> This session will cover the basics of Canvas including setting a homepage, adding files, creating assignments and publishing a course. Modality: Zoom	Shay Phillips	Register Here

Tue 8/15 1:00-2:00 pm	• <i>WordPress Overview</i> This workshop explains what WordPress is and how it is used at Palomar College for creating and managing websites. Attendees will gain a basic understanding of WordPress that will prepare them for more advanced training. Modality: Zoom	Chris Norcross	Register Here
Tue 8/15 1:00-2:00 pm	• <i>What's New in the ATRC?</i> Interested in finding out what the Academic Technology Resources Centers can do for you? Visit us in person for a brief rundown of services available, and to find out what the ATRC is offering to students and employees lately. Modality: In Person • H-112	David Gray	Register Here
Tue 8/15 2:00-4:30 pm	• <i>Using Embedded Tutors Effectively</i> This is an introductory workshop that helps instructors understand the role of an embedded tutor. Instructors will leave this workshop with an understanding of dos and don'ts of embedded tutoring and with tips to maximize the positive impact of embedded tutors on student learning. There will also be a section on using embedded tutors with DRC students. Modality: Zoom	Nimoli Madan Gina Sanders Daniel Straub Jennifer Backman Yuan Lin Lee (Annie)	Register Here

Tue 8/15 2:15-3:15 pm	• <i>AI in Education: Transforming Learning for the Future</i> From chalkboards to TV's, calculators, computers, the internet, and Learning Management Systems, education has been shaped by various innovations. Now, we are experiencing a new innovation with the development and use of AI! Join this workshop to learn the basics of AI, explore the transformative possibilities of AI in education, and recognize strategies to address the impact of AI. Modality: Zoom	Kelly Falcone	Register Here
Tue 8/15 2:15-3:15 pm	• <i>Dealing with Debt</i> Learn how to make a plan to take control of debt repayments and why it is best to avoid risky solutions. Modality: Zoom (Note: Once you register in the Portal, use the provided link to register for the webinar)	Cal Coast Credit Union • Will Rivera	Register Here

Racelighting in the Community College: Implications for All Educators

In this session, Dr. Harris will briefly unpack the concept of racelighting, offer concrete examples of how racelighting often manifests in Community College contexts, and propose a set of action-orientation strategies that should inform the work of all Community College educators in addressing racelighting.

**WEDNESDAY
AUGUST 16, 2023
9AM - 1 PM**

Brubeck Theatre & Zoom

Dr. Frank Harris III

Expert in Student Equity, Institutional Effectiveness, and Student Success

Employing Culturally Affirming and Equity-Minded Teaching and Learning Practices to Advance Institutional Equity

Community College faculty play an essential role in institutional efforts to close equity gaps and achieve student success, yet many campuses struggle to engage a broad constituency of faculty in these efforts, leaving many to wonder, "What is my role and responsibility in advancing equity efforts in my classes and beyond?"

REGISTRATION:

bit.ly/PalomarFall23DEIAA

Flex Week: Wednesday, August 16th

Note: Most sessions will be held via Zoom unless specified as HyFlex or In-Person with “locations” shared in the *Workshop/Description* under “Modality”

Day/Time	Workshop/Description	Facilitator	P ³ D Registration Link
Wed 8/16 9:00-10:30 am	• <i>Racelighting in the Community College: Implications for All Educators</i> “Racelighting” is a concept that was developed by Drs. J. Luke Wood and Frank Harris III to describe the emotional and psychological harm that occurs when Black, Indigenous, and people of color (BIPOC) are exposed to chronic racism and have their experiences questioned, second guessed, or challenge when they call for action and accountability. In community colleges and other postsecondary institutions, racelighting impacts the experiences, well-being, and success of BIPOC students, faculty, staff, administrators, executives, and trustees. In this session, Dr. Harris will briefly unpack the concept of racelighting, offer concrete examples of how racelighting often manifests in community college contexts, and propose a set of action-orientation strategies that should inform the work of all community college educators in addressing racelighting. Modality: HyFlex (Brubeck Theater and via Zoom)	Dr. Frank Harris III	Howard Brubeck Theatre Register Here

Wed 8/16 11:00-12:30 pm	• <i>Employing Culturally Affirming and Equity-Minded Teaching and Learning Practices to Advance Institutional Equity</i> Community College faculty play an essential role in institutional efforts to close equity gaps and achieve student success, yet many campuses struggle to engage a broad constituency of faculty in these efforts, leaving many to wonder, “What is my role and responsibility in advancing equity efforts in my classes and beyond?” Thus, in this address, the presenter will: (a) discuss the role all faculty must embrace to advance and achieve institutional equity and (b) propose culturally affirming teaching and learning strategies that must be employed by all classroom faculty to address inequity and disproportionate impact. The insights of this presentation will be derived from experiences working with community colleges across the United States in a range of equity-related efforts and initiatives. Modality: HyFlex (Brubeck Theater and via Zoom)	Dr. Frank Harris III	Howard Brubeck Theatre Register Here
Wed 8/16 1:00-2:00 pm	• <i>Using Open AI (Artificial Intelligence) ChatGPT, and Microsoft Bing Copilot to Proof Assignments</i> This session introduces you to the powerful capabilities of Open AI's ChatGPT and Microsoft Bing Copilot, two innovative artificial intelligence tools. Participants will learn how to leverage these technologies to enhance their assignments. Through practical demonstrations and hands-on exercises, you will discover how ChatGPT and Bing Copilot can be used to answer question prompts. By the end of the session, you will gain valuable insights into how these AI tools can be used to enhance your questions and promote student success. Modality: Zoom Zoom Link	Shay Phillips	Register Here

Wed 8/16 2:15-3:15 pm	• <i>Transfer Opportunities and Obstacles</i> This workshop will provide an overview of current legislation, university requirements and programs which provide both improved opportunities and potential obstacles for Palomar students to transfer. Modality: HyFlex (MD-105 and via Zoom) Zoom Link	P.J. DeMaris Brittany Wong	Register Here
Wed 8/16 2:15-3:15 pm	• <i>Using Office with OneDrive</i> Learn how to effectively utilize Microsoft Office with OneDrive to streamline file management, enhance collaboration, and optimize your teaching workflow. Discover the power of cloud storage and seamless integration with Microsoft Office applications, and gain practical skills for efficient file sharing, real-time collaboration, and organizing your course materials. Modality: Zoom Zoom Link	Chris Norcross	Register Here
Wed 8/16 2:15-3:15 pm	• <i>Tour and Open House of the ATRC</i> Many changes have taken place for the Academic Technology Resources Centers department recently. Note: Most sessions will be held via Zoom unless specified as HyFlex or In-Person with “locations” shared in the *Workshop/Description* under “Modality”

Day/Time	Workshop/Description	Facilitator	P ³ D Registration Link
Thu 8/17 9:00-10:00 am	• Part-Time Faculty Workshop Series: Who's Who? We kick-off the PT Faculty “Who’s Who of Palomar” session with a welcome from Palomar College President/Superintendent Dr. Star Rivera-Lacey; words from our Faculty Senate regarding PT Faculty representation and participation in shared governance (including compensation); a brief overview of what PT faculty need to know about accommodating student with disabilities at Palomar; and a fun get-to-know Palomar game. Modality: HyFlex (MD-157 and via Zoom) Zoom Link	Tanesssa Sanchez Nicole Siminski Alyssa Vafaei Anastasia Zavodny	Register Here
Thu 8/17 9:00-10:00 am	• WordPress Overview This workshop explains what WordPress is and how it is used at Palomar College for creating and managing websites. Attendees will gain a basic understanding of WordPress that will prepare them for more advanced training. Modality: Zoom Zoom Link	Chris Norcross	Register Here

Thu 8/17 10:00-11:30 am	• <i>Speaking the Truth: Racism in Education</i> This workshop includes discussions about racial microaggressions in community college. Recommendations for our college will be compiled and shared to further eradicate racism on campus. Modality: In-Person (LRC-116)	Nancy Browne Hossna Sadat Ahadi	Register Here
Thu 8/17 10:15-11:15 am	• <i>Bringing Learning to Life with Service Learning</i> Come discover unique opportunities for students to critically engage in course concepts through meaningful community service. We'll share the Service Learning community partner list, our new Service Learning Experience Canvas Course, syllabus blurbs, assignments, and student sign-up packets to help you get started. Get ready to increase student success and retention in your courses! Modality: HyFlex (MD-105 and via Zoom) Zoom Link	Angela Kong Gina Wilson	Register Here
Thu 8/17 10:15-11:15 am	• <i>Part-Time Faculty Workshop Series: Show Me the Money</i> In this PT Faculty "Show Me the Money" session, the Professional Development (PD) Office will demonstrate how to engage in, report, and be compensated for PD; then we'll hear from Distance Education Coordinator Kelly Falcone on specific PD opportunities for best practices in instruction; and last, you'll hear from CALM Coordinator Anastasia Zavodny on grant opportunities to create your own accessible OER course materials. Modality: HyFlex (MD-157 and via Zoom) Zoom Link	Tanesssa Sanchez Nicole Siminski Alyssa Vafaei Anastasia Zavodny	Register Here

Thu 8/17 10:15-11:15 am	• <i>Learning Alone, Practicing Together: Exploring the Flipped Classroom</i> This workshop will introduce a new and innovative technological teaching tool for instructors. Participants will learn the strategies of implementing a flipped classroom approach in their teaching. Attendees will apply and construct a lesson on their own disciplines. Modality: HyFlex (MD-104 and via Zoom) Zoom Link	Marquette Laquey	Register Here
Thu 8/17 10:15-11:15 am	• <i>Universal Design in Microsoft Office</i> Perhaps you've heard the term "Universal Design" recently. If not, that's okay! We will cover the basic principles of Universal Design (UD) and how to achieve success with it in Microsoft Word and PowerPoint. Clear, consistent, and precise UD is achievable and with it comes accessibility and cohesive layout and styling. Modality: Zoom Zoom Link	Kelly Helming	Register Here
Thu 8/17 10:15-11:15 am	• <i>Evaluations Workshop</i> This workshop will focus on the various types of evaluations. Topics will include discussion on the types of evaluations, various forms, improvement plan process, and a Q and A session. Modality: HyFlex (MD-103 and via Zoom) Zoom Link	Marquesa Cook Whearty	Register Here

Thu 8/17 10:15-11:15 am	• <i>Canvas Overview</i> This session will cover the basics of Canvas including setting a homepage, adding files, creating assignments and publishing a course. Modality: Zoom Zoom Link	Shay Phillips	Register Here
Thu 8/17 11:30-12:30 pm	• <i>What's New in WordPress?</i> Find out about new WordPress features and updates. This workshop will help existing users learn what has changed and how to make the most of the new features. Modality: Zoom Zoom Link	Chris Norcross	Register Here
Thu 8/17 11:30-12:30 pm	• <i>Part-Time Faculty Workshop Series: PT Faculty Field Guide • PFF, Parity, and the Big Picture</i> In this “PT Faculty Field Guide” session you will get to meet our new PFF Co-President Will Dalrymple, along with other PFF leadership and staff. Will plans to lead us through a Negotiations update pertaining to impacts on PT Faculty, and will introduce the Parity Project and how their efforts have played a significant role in recent gains for PT Faculty. Nicole Siminski will lead us through a little “Contract 101” fun to help us all get a basic understanding of what to know about your contract; followed by a final message from Will about “The Big Picture” for the future of PT Faculty. Modality: HyFlex (MD-157 and via Zoom) Zoom Link	Tanesssa Sanchez Nicole Siminski Alyssa Vafaei Anastasia Zavodny	Register Here

Thu 8/17 11:30-12:30 pm	• <i>Using Open AI (Artificial Intelligence) ChatGPT, and Microsoft Bing Copilot to Proof Assignments</i> This session introduces you to the powerful capabilities of Open AI's ChatGPT and Microsoft Bing Copilot, two innovative artificial intelligence tools. Participants will learn how to leverage these technologies to enhance their assignments. Through practical demonstrations and hands-on exercises, you will discover how ChatGPT and Bing Copilot can be used to answer question prompts. By the end of the session, you will gain valuable insights into how these AI tools can be used to enhance your questions and promote student success. Modality: Zoom Zoom Lin	Shay Phillips	Register Here
Thu 8/17 11:30-12:30 pm	• <i>Tour and Open House of the ATRC</i> Many changes have taken place for the Academic Technology Resources Centers department recently. Stop by our new location on the San Marcos campus (first floor of the Humanities building) to see our new spaces, including our newly opened Faculty Technology Center (room H-112), and our two student-serving computer lab locations (Rooms H-102 and H-114). The tour starts in H-114, but we will migrate through all the ATRC spaces during this session. Modality: In Person • H-114	David Gray	Register Here
Thu 8/17 1:00-2:00 pm	• <i>What's New in the Library</i> Updates on what is new in the library for students, staff and faculty, find out how Faculty can schedule Library Instruction for their classes, and learn about embedded Librarians! Modality: Zoom Zoom Link	Alexandra Doyle Bauer	Register Here

Thu 8/17 1:00-2:00 pm	• <i>Transfer Opportunities and Obstacles</i> This workshop will provide an overview of current legislation, university requirements and programs which provide both improved opportunities and potential obstacles for Palomar students to transfer. Visit us in person for a brief rundown of services available, and to find out what the ATRC is offering to students and employees lately. Modality: In Person • H-112	David Gray	Register Here
Thu 8/17 1:00-2:30 pm	• <i>EEO Selection Committee</i> Training participants will learn how their efforts during the hiring process contribute towards building a diverse and inclusive educational community. Topics that will be covered include the importance of valuing diversity in hiring, student and employee demographics, the impact of bias on hiring, strategies to overcome bias, an overview of relevant EEO laws/regulations, and Palomar College's hiring process. Please note, this workshop must be taken before you are able to take the Compliance Officer training. Modality: Zoom (Link Provided after Registration - if you previously registered for this session, but now show withdrawn, please contact pdoffice@palomar.edu - note, registration for this session closed on 08.16.2023)	Monique Dumbrique Mary Streeter Celina de la Torre	Registration Closed

Thu 8/17 1:00-3:00 pm	• <i>How to Deal with ChatGPT in Education</i> This workshop will highlight what Chatbots can do, how to create assignments to ensure that students are doing the work, how to detect when a student's work is generated by a Chatbot and how to use ChatGPT themselves to help with their coursework. Instructors will be encouraged to integrate student use of a Chatbot for some of their work since, "AI won't take your job. Someone using AI will." Modality: HyFlex (MD-157 and via Zoom) Zoom Link	Steve Perry	Register Here
Thu 8/17 1:00-5:00 pm	• <i>VetNet Ally</i> The VET NET Ally program is a faculty and staff awareness program designed to: • Educate members of the university community about the needs and concerns of military veterans, • Foster a campus atmosphere that supports the academic freedom and professional, personal and social success of veterans, and, • Establish a network of visible Allies to provide support, information, and assistance for veterans. The training is being presented by Dr. Marshall Thomas, Director, Active Duty and Veterans Affairs at California State University, Office of the Chancellor. VET NET Ally Training is a seminar style training that introduces participants to military/veteran culture, discusses working with this population of students to create a more inclusive campus community, and different ways to be an Ally. Modality: In-Person (MD-104)	Jessica Horn	Register Here

Thu 8/17 2:00-4:00 pm	• QPR: Question, Persuade, Refer - Training for Suicide Prevention & Intervention As CPR is for the heart, QPR is for the mind. QPR trains you on recognizing suicide warning signs, ways to initiate conversation as well as methods of providing help and hope. This training is provided on behalf of the San Diego County Suicide Prevention Council. Modality: Zoom Zoom Link	Lenka Schalkle	Register Here
Thu 8/17 2:00-3:30 pm	• True Way ASL Curriculum Training The workshop is designated for the ASL instructors to learn how to utilize the TWA materials for Level 1 course. Modality: In-Person • H-219	John O'Loughlin	Register Here
Thu 8/17 2:00-3:30 pm	• Supporting English Language Learners Across the Curriculum Come learn ways to support international, immigrant, and multicultural students in your classroom. English as a Second Language (ESL) instructors share insights on common misconceptions that occur between ESL students and faculty. Intercultural communication tips and pedagogical approaches are discussed to improve teacher-student communication and increase student involvement and success. Modality: HyFlex (MD-103 and via Zoom) Zoom Link	Tina-Marie Parker Vickie Mellos Nicole Siminski	Register Here

Thu 8/17 2:15-3:15 pm	• <i>New Tools for WordPress Content Managers</i> If you manage a WordPress site or are a member of the Palomar College WordPress community, please don't miss this workshop. We have a toolset for you that helps you locate broken links, missing images, accessibility problems, outdated content, and more. Come and learn about this online site-checking tool! Modality: Zoom Zoom Link	Kelly Helming	Register Here
Thu 8/17 2:15-3:15 pm	• <i>Using the WordPress Block Editor</i> Learn how to leverage the WordPress Block Editor's intuitive interface, explore its powerful features, and unleash your creativity to build engaging and visually appealing websites without any coding knowledge required. Modality: Zoom Zoom Link	Chris Norcross	Register Here
Thu 8/17 2:45-3:30 pm	• <i>Compliance Officer (CO) Training</i> COs are responsible for ensuring that the hiring process is equitable for all applicants, and they protect the District from liability while serving as a DEIAA facilitator during the hiring process. Join this session (must have taken EEO Selection Committee Training prior to taking part) to help fill this important role in the hiring process. Modality: Zoom (Link Provided after Registration - if you previously registered for this session, but now show withdrawn, please contact pdoffice@palomar.edu - note, registration for this session closed on 08.16.2023)	Monique Dumbrique Mary Streeter Celina de la Torre	Registration Closed

All College Friday, August 18th

Come Together

Our “Come Together” modality was launched with this year’s Employee Recognition Extravaganza. As a community at Palomar, we recognize the importance of engaging one another face-to-face.

The morning session of All College Day (Plenary) will be meeting in this modality from 7:30 am (for breakfast and connections) through our lunch. This encompasses our 9-11:50 am *All-College Session*.

We look forward to joining you as we see each other during this morning as we ramp up for the new Academic Year.

7:30 am -9:00 am: Meet and Greet Community Building with Breakfast

- ★ Meet and chat in person with all of our colleagues from across the District. Get hyped and energized for the full day of activities.
- ★ Student Union

9:00 am -11:50 am: All-College Session: College Leadership & DEIAA Updates

- ★ Facilitator(s): College Leadership
- ★ Description: Important updates from our Superintendent/President, Dr. Star Rivera-Lacey and college leadership.
- ★ Intended Audience: All Employees
- ★ Location: Student Union
- ★ P³D registration link:
 - [Register for the Morning Session in the Student Union](#)

12:00 pm -1:00 pm: Lunch

- ★ Recharge for an action-packed afternoon with a delicious lunch and meaningful conversations on All College Day
- ★ New Employee Welcome and Introductions
- ★ Location: Student Union

1:15-2:15 pm: PFF/Senate and CCE Meetings

★ Faculty Senate/PFF Meeting: Palomar Faculty Federation and Faculty Senate Updates

- Facilitator(s): Wendy Nelson, Jenny Fererro, Barbara Baer, Lawrence Hamilton Lawson
- Description: Faculty Senate/PFF Meeting: Palomar Faculty Federation and Faculty Senate Updates
- Intended Audience: Faculty
- Modality Note: HyFlex (LRC-438 and Zoom - provided in Registration)
- P³D registration link: [Faculty Senate/PFF Meeting: Palomar Faculty Federation and Faculty Senate Updates](#)

★ CCE General Meeting

- Facilitator(s): Anel Gonzalez, Cheryl Kearse, Tricia Frady,
- Description: Please attend to hear the latest CCE updates, including events and full contract negotiations.
- Intended Audience: Classified Staff
- Modality Note: HyFlex (MD-157 and Zoom - provided in Registration)
- P³D registration link: [CCE General Meeting](#)

2:30-3:45 pm: Division Meetings

Important updates for each division. All Employees within each discipline are invited to attend.

★ Career Technical and Extended Education (CTEE)

- Facilitator(s): Dean Susan Wyche & Division Assistant Michelle Tucker
- Modality Note: Zoom
- P³D registration link: [Career Technical and Extended Education \(CTEE\)](#)

★ Languages and Literature (LL)
