### **By commissioning me, you have read and agreed to my TOS**

Only use my commissions for pre-discussed uses.

Cancellations or refunds are **only** available in the sketching phase.

Do not sell, steal, alter, or trace my art without my consent.

Do not remove my signature or claim the art as yours.

Do not use my art as an NFT or AI.

I can and will refuse to draw NSFW, mech, or gore.

I can and will refuse commissions that I decide aren't fit for me to accept.

I reserve the right to discontinue and refund a commission at any time.

I reserve the rights to any of my commissioned works, including posting, recording, or uploading videos of the commission creation.

The characters illustrated remain copyrighted to their rightful owners.

Any posting, recording, or social uses of the commission require consent and credit.

### **General Obligations**

Respond in a timely fashion.

Maintain respectful behaviour throughout the duration of the commission.

## Process

After initial discussion of prices, details, and the commission itself, I will send a final sketch for approval before continuing the commission. **Any major revisions or cancellations can be accepted at this stage.** After client approval and payment, the commission will continue and client side cancellations/refunds will no longer be accepted.

I will update the process of the commission regularly and upon request. **These WIPs will come in watermarked form.** Minor changes and suggestions are acceptable but aren't guaranteed.

I will try my best to complete the commission within a timely period, but please be understanding of how life can get in the way and create delays.

You will receive the final artwork after it has been completed and paid for.

## Order Form

Payments will only be accepted in CAD in full or half upfront half later on. **Paypal exclusive.**

You can reach me through Twitter, Instagram, or Discord [user: **Lynnlia**]

Copy / fill out the form and send it to me, I'll reply as soon as I can!
