Greetings! First, we hope that everyone is well and that you all made it through the storm last week without too many problems. We would like to thank everyone for their cooperation with the start of school. All things considered, it has been a smooth opening.

Once again, our family newsletter will be coming out periodically. Please read on for important dates, updates and highlights from around the school. Thank you and have a safe and enjoyable weekend.

School Pictures Coming to NBTMS

Lorrs Photography will be taking school pictures on October 5 & 6, through phys ed classes. Stay tuned for more information as the date gets closer!

Reminder: Important Documents on Parent Portal

Several important documents for parents, including our Emergency Contact Form, Responsible Use Form, Free/Reduced Lunch Information & school insurance can now be found on the Genesis Parent Portal. Please review and edit these documents as necessary.

Student Lockers

We will be distributing lockers for student use this coming week. We intentionally spent the first few days of school focused on re-acclimating students to full time, in-person instruction. Now that our students are more comfortable with their schedules and our building, lockers will be available for use- although we are going to continue to allow students to use backpacks during the school day as well.
