

Title (Font Times New Roman 16 pt Bold, Capitalize)

[Use an informative, specific title. Avoid research locations in the title unless the study concerns distinctive regional characteristics.]

First Author¹, Second Author^{1*}, Third Author²

1 [Department, Full Institution Name, City, Country]

2 [Department, Full Institution Name, City, Country]

**Corresponding author: [email address]*

ORCID: [First Author: URL]; [Second Author: URL]; [Third Author: URL]

[Use full author names without degrees or positions. Superscripts identify institutions, not author order: share a number for the same institution and use multiple numbers for multiple affiliations. Omit numbers if all authors share one institution. The asterisk identifies the corresponding author; who need not be the first author. Write full institution names, city and country; add more authors and affiliations as needed.]

Manuscript has main author and co-authors. Author names should not contain academic title or rank. Consist of full name author and co-authors.

I. First author* :

1. Name : (Author names should not contain academic title or rank)
