Calendar of Upcoming Events

November 22 - 26 - No School - Thanksgiving Break

Please "Like" our facebook page.

<https://www.facebook.com/CRVALaCrosse/>.

Since this is a new FB page let's see how many "LIKES" we get. Announcements for different activities, family input, communication will be on our facebook page.

This week's assignments are leftovers from the past few weeks. Students are going to be doing activities during the morning meeting and will be excused if all the work has been completed. Those not done with their work will be working in the morning meeting after the activities and in the afternoon to finish up the work.

Happy Thanksgiving! I am so grateful for the opportunity to work with you. Thanks for all you do to help us do what is best for your child.

[Guidance Newsletter](#) from Mrs. Fernan.

This month's field trip - Kitchens are not available this week for Thanksgiving for making pumpkin pies for the community dinner but I am working on reserving a kitchen for a holiday cookie and card making activity for December. I will make the announcement soon!

Zoom - [Zoom link](#) -

If you are having issues with zoom, please let me know. Please make sure your child is ready for zoom and is in a quiet area that has no distractions. Thanks for your support at home!

What's the BUZZ? [BUZZ LOGIN](#)

Check the activity stream on the main page. It will show what has been done recently - how much time, what assignments have been completed, etc. Check on what your child has been working on.

Reading - I will be discussing books with your child on their check in time with me each week. I highly recommend reading with your child every night and using that time to enjoy the reading and time with your child. It will be beneficial for your child and family.

Math Facts - Keep practicing those math facts at home! Students have passwords for the following apps to practice math facts: Sumdog, Prodigy, and Splashlearn - I can share their passwords with you as well if you need. I have a google doc for each student. Math Apps that can help with math facts - Sumdog - multiplication facts challenge, multiplication slide,

Specials!!! Sign in to Canvas for ART, MUSIC, and PE classes

How to Be your child's observer in Canvas

The link you will go to in order to create the account is here:

<https://lacrosseschools.instructure.com/login/canvas>

The video shows you how to get the pairing code. You NEED TO GET THE PAIRING CODE FIRST!

 **Adding Parent as Observer.mov**

Great news, students will have special classes taught by specialists in the district! Assignments have been posted on canvas. I will be putting the website link in the agendas and on our class website.

On a school device:

1. Go to <https://www.lacrosseschools.org/> and touch the red canvas button (or click on the black and red Canvas icon on the iPad home screen).
2. You should automatically be logged into the Canvas app and see your art, music, and PE classes.
**If you are not automatically logged in, you need to use your school email and password to log in.

On a personal device:

1. Go to <https://www.lacrosseschools.org/> and touch the red canvas button.
Use your school email and password to log in.
