Subject line: (their business)

I was impressed with the service you have in your website, especially your core programs and the problems people have whether it can be short on time, busy at work, and etc,

I can tell you're really passionate about helping people to reach their fitness goals!

My name is Miney and I specialize in copywriting, and I have a deep understand in the fitness industry, know what it takes to make a persuasive copy that actually get results,
