

Kor grew up in Arizona with his family though his parents were originally from Mexico. (**Spaghetti**) Kor didn't have many friends growing up as he struggled with his tone, causing many of his peers to see him as rude, stubborn or stuck up. (**BeetrootBug**) Kor comes across as very tough but is actually a big softie. (**milo**) Thanks to Kor being a huge softie, rocks is surprisingly good with kids. (**aceissour**) Kor uses a couple labels, these include xenogenders and neopronouns; In his human form he presents rather masculine, but always has some sort of makeup on, except for when he is in drag. (**Finnley**) Kor was born on July 13th 2004 (so he is 20 years old), which is the same day as National Rock day! Coincidence i think NOT! (**Turtle**)

Kor likes to show Calypso their rock collection and compete with them to figure out who has the coolest rocks. (**pax**) Rock was initially drawn to fire because fire's warm temperature reminded him of home. (**Spaghetti**) Kor and Aether clicked instantly when they met at camp and became the bestest of friends! (**Marsh**) Kor met Aspen in their geography class and the joke was created that Aspen adopted Kor. (**Turtle**) Although Kor isn't very close to Atlas, they occasionally teach Kor how to do pottery (**grum**) Kor knows Lux though Aspen but they don't really talk to one another since they have very different interests and hobbies. (**Jaz**)

Kor met Maurice in a crystal cave where they got to know each other and then it told him about camp, after that interaction Kor joined camp and told his friend Lyn about camp who also ended up joining. (**Turtle**). Speaking of Lyn they first met when they were in their early teens at a concert where Lyn bumped into Kor, despite the small accident the two eventually formed a tight knit band that Aether and Vuur would later join! (**aceissour**)

His favorite show is Steven Universe (**Rudy**) Kor likes basking in the sun like a snake (**Venom**) Kor likes moss. (**Eris**) Kor loves the smell of fresh rain and wood. (**Finn**) Kor fosters stray pebbles he finds in the street. (**Vampy**) Kor thrifts most of his clothes. (**grandpasnail**) Kor always wears some form of rock/crystal jewelry. (**mothercrawler**) Kor's hands are actually crystals and they can light up in the dark to make light while exploring caves. (**bildad the shuhite**) One of Kor's favorite books is "Everybody needs a rock" by Byrd Baylor. (**Doublestuf**)
