Duties for valet loop: opening/closing car doors, make sure cars are moving all the way up, advising drivers not to get out of the car and avoid lingering. One person can take crosswalk duty if not taken by teacher/staff.

Crosswalk on Wisdom & Accelerator: grab stop sign to assist pedestrians and allow steady flow of traffic into loop. Also place cones to prevent cutting into loop from Accelerator and left from Wisdom

Insight: grab stop sign to assist pedestrians crossing the street. If 2 people, one can help open doors and one can help with unofficial crosswalk right across from the gate.

If you have any questions, please text me, Emily, at 781-420-6775. Let me know if you'd like your own vest and whistle.
