Log of Round 6 TCC Application Changes

Last updated: 08/13/2026

As stated in Section 9.2 of the TCC Guidelines, during the Application Period, SGC reserves the right to issue clarifications and minor modifications to the application instructions and requirements as needed.

Below is a log of changes TCC has made to the application since the Application Period began on May 29, 2026. In the event of critical changes that may impact applicants who have already begun working their application on Submittable, such as changes made to any worksheets or templates, TCC will also notify the Lead Applicant listed on Submittable.

All Grant Types

- Completed 6/23/2026: TCC will rename some of the files in the Round 6 Application Materials – Public folder to improve the applicant's experience in navigating the application templates, resources, and materials.

Implementation Grant

- **6/1/2026**
    - TCC uploaded the template of narrative questions for each Strategy in the Projects folder for applicants to preview the questions without logging into Submittable.
        - *Note: This template should not be used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However, when submitting your final responses, please check to make sure your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.*
    - TCC uploaded the Summary Workbook that the Lead Applicant is responsible for completing.
- **6/2/2026:**

LCI - Public

- TCC uploaded the Implementation Narrative Questions template document for applicants to preview all the questions without logging into Submittable.
    - *Note: This template should not be used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However, when submitting your final responses, please check to make sure your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.*
        - ***6/12/2026** added this note to the Implementation Narrative Questions document*

- **6/3/2026:** TCC uploaded the Sample Work Plan and Budget Workbooks as optional resources. These samples are for reference only. Applicants should not use these samples as a comparison or baseline for competitiveness.

- **6/8/2026:** TCC re-uploaded the R6 IG Application Checklists which had listed the previous due date of June 30 for Other Climate Innovation proposals for pre-approvals. The correct **due date is June 15, 2026** for Other Climate Innovation proposals.
- **6/11/2026:** TCC reuploaded a corrected version of the Summary Workbook. Corrections were made to the following: cell F14 from “up to 3%” to “up to 5%”; cell G16 to correctly reference column C; conditional formatting for row 15; updated contingency calculation in cell K15; renamed from cell B24 from “Program Evaluation” to “Grant Evaluation”

- **6/22/2026:** TCC updated the “Grantee Workbook” to correct row 2 from reference to “Strategy” to “Grantee Costs” in tab 3. Work Plan and Budget. The workbook has been renamed from “Grantee Workbook” to “Grantee Costs Workbook”
- **6/25/2026:** TCC re-uploaded the Sample Project Workbooks and Sample Transformative Plan Workbook (Displacement Avoidance Plan) to reflect the timeline in Months for the 4-year Implementation Phase (Months 12-60).
- **6/25/2026 NOTICE:** Applicants should budget staff and personnel time for grant administration during the 3-month administrative transition period (Months 9-12) in the Pre-Development Phase detailed budget. The grant administration subtask on the Pre-Development Phase work plan is the only subtask that may go past Month 9, so that staff remain available to answer any questions related to the

amendment. All Pre-Development Requirements must still be completed by Month 9.
    - We will also provide this clarifying information as part of the Pre-Proposal feedback.
- **08/10/2026**: AHSC Program Round 10 Workbook has been uploaded to the Round 6 Google Drive Resources. Further information and the original link to download can be found on the Housing & Community Development website, linked here: https://www.hcd.ca.gov/funding/ahsc
- **08/25/2026**: Implementation Grant narrative questions were updated to correspond with Submittable questions, as well as correlate with TCC intentions for the Management Capacity questions. Narrative question document in the Round 6 Resources drive has been updated, alongside questions in Submittable. Questions will be updated at approximately 5pm PST on 08/24/2026 in Submittable.
- **09/08/2026**: All Strategy Narrative and Transformative Element Narrative forms went through formatting & updating after technical errors. Strategy 6,9, & 13 have updated Narrative Word documents uploaded to the Round 6 Google Drive. Questions were updated after 5pm PST on 09/08/2026. All changes can be found listed in this document: R6 Implementation Grant Submittable Updates
- **09/10/2026**: An upload button was added to the Strategy 1: Equitable Housing and Neighborhood Development Narrative Questions form to allow for upload for all forms & documentation HCD requires as listed in the "Upload Checklist" tab of the AHSC workbook.
- **09/18/2026**: An optional upload button was added to 1.2 Prior Community Engagement to allow for upload of any material showcasing prior community engagement documentation that applicants would like to submit.

Project Development Grant

- **6/2/2026**
    - TCC uploaded the Project Development Narrative Questions template document for applicants to preview all the application questions without logging into Submittable.
        - *Note: This template should not be the used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However,*

LCI - Public

when submitting your final responses, please check to make sure your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.

- ***6/12/2026** added this note to the Project Development Narrative Questions document*

- **6/8/2026**
    - TCC re-uploaded the R6 PDG Application Checklists which had listed the previous due date of June 30 for Other Climate Innovation proposals for pre-approvals. The correct **due date is June 15, 2026** for Other Climate Innovation proposals.
- **6/12/2026**
    - TCC updated row 26 and 27 on the "0. Read Me" tab of the Application Workbook to correctly reference cells C4, C5, and D53.
- **6/23/2026**
    - TCC re-uploaded the Example application workbook with updated rows 26 and 27 on the "0. Read Me" tab of the Application Workbook to correctly reference cells C4, C5, and D53.
- **08/13/2026**
    - TCC has added an additional question to the Project Development Grant Narrative Questions Form on Submittable. Applicants are now given the option to directly apply for a non-continuous Project Area if they are in a rural area, or describe the non-continuous exemption they've been granted.
- **09/18/2026**
    - An optional upload button was added under the Transformative Elements: Prior Community Engagement section to allow for upload of any material showcasing prior community engagement documentation that applicants would like to submit.

Planning Grant

- **6/3/2026**
    - TCC uploaded the Planning Narrative Questions template document for applicants to preview all the application questions without logging into Submittable.
        - *Note: This template should not be used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are*

LCI - Public

meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However, when submitting your final responses, please check to make sure your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.

- ***6/12/2026*** *added this note to the Planning Narrative Questions document and updated the numbering of the questions for consistency with Submittable*

- **6/8/2026**
  - TCC re-uploaded the R6 PG Application Checklists which had listed the previous due date of June 30 for Other Climate Innovation proposals for pre-approvals. The correct **due date is June 15, 2026** for Other Climate Innovation proposals.
- **6/12/2026**
  - TCC updated row 26 and 27 on the "0. Read Me" tab of the Application Workbook to correctly reference cells C4, C5, and D52.
- **6/23/2026**
  - TCC re-uploaded the Example application workbook with updated rows 26 and 27 on the "0. Read Me" tab of the Application Workbook to correctly reference cells C4, C5, and D53.
- **08/13/2026**
  - TCC has added an additional question to the Planning Grant Narrative Questions Form on Submittable. Applicants are now given the option to directly apply for a non-continuous Project Area if they are in a rural area, or describe the non-continuous exemption they've been granted.
